The Supreme Court of Kansas handed down a decision on Saturday in which the Kansas Utopian Association is declared to be a nuisance. The court says of the club: "Stripped of the subterfuge and pretenses, it is simply a whisky saloon."

The association had 62,000 members and 200 lodges or "blind tigers," and was doing business in nearly every county seat in the state.

Becky Bros, known as the "Kenetoscope Kings" gave an exhibition at the Roseburg Theater, Saturday night. The house was filled and every one who attended felt themselves amply repaid. We don't know whether the moving picture apparatus, used by Becky Bros, is better than that which is usually on the road, but there is one thing sure, they know how to get the best results out of their Kenetoscope, there being a distinctness and clearness about their pictures which we never saw before. And we honestly believe that if Becky Bros. had showed here two nights they would have had a good house both nights.

We learn from one of Douglas county's prominent prune growers, that the frost, which fell Thursday night did not damage the fruit crop to any great extent. He says that the fog which came up on Friday morning covered up the sun and allowed the frost to leave the blossoms gradually, therefore he does not believe the loss will amount to much.

Tonight the Rev. Mr. Ross of the Presbyterian Presbytery of Los Angeles will preach in the Southern Methodist church. The Reverend gentleman is a fine preacher and is well known in Roseburg, and a packed house will await him when it is known that he is in town. He is on his way to hold a revival meeting in Washington, and stopped off to shake hands with old friends. He preached last night to a packed house in the same place.

The Revival meetings that are now being conducted by the Rev. C. W. Messrs Waite, Stewart, and Gal, have been appointed as a committee to see to the collecting of an exhibit from Douglas county, to be sent to the Portland Fair.

Those gentlemen earnestly request that any person who has any thing worth exhibiting, will send it to the Roseburg Board of Trade. It doesn't cost the sender a cent, as the Railroad company will deliver free of charge any thing which is sent to the Roseburg Board of Trade. Farmers and all other producers in Douglas county should wake up to the realization that, with the great number of out-of-state people who visit the Board of Trade, each day, a good exhibit will do Douglas county a great deal of good. The exhibits will be kept at the Board of Trade, until the time they are moved to Portland.

Miss Rose Parrott, first assistant to the principal, entertained the high school class of '03 at six o'clock dinner Saturday evening. The affair was very novel and charming throughout. Instead of the conventional dinner cards, Miss Parrott had secured portraits of the guests taken in the early days of childhood, and these placed on the table had to be recognized and claimed by each to determine the chair to be occupied, much amusement being occasioned by the failure of some of the young people to recognize their infantile likenesses. Dinner was served in six courses, and the floral piece was of long stemmed scarlet carnations in a cut glass vase. The after dinner amusement was a series of well known pictures of which the young people must determine the title to and artist, and the prize, a handsome copy of Perry's "Princess" was presented to Miss Lillian Stanton. The guests were Misses Gertrude Rast, Lillian Stanton, Kate Fullerton, Ella Black, Bessie Kidder, Edna Parsley; Messrs Tom Townsend, Floyd Ramp and the principal, Prof. Sanders.

At the beautiful home of Mr. and Mrs. J. F. Barker in West Roseburg, Sunday, a few guests were entertained at dinner in honor of Mrs. Child, who leaves for San Francisco, Thursday morning. The table decorations were beautiful, the centerpiece being a large bouquet of sweet stock, nestled in what was a white rabbit, symbolical of Easter, as were also the souvenir at each plate, representations of birds' nests in which were two Easter eggs and the half of an eggshell filled with salt almonds. The dinner was served in eight courses and was as follows: Fresh oysters, crackers; salad, salted walnuts; creamed chicken, hot bismark; asparagus, bread and butter; roast chicken, dressing, gravy, mashed potatoes, green peas; pineapple glaze, assorted cake; coffee; finger bowls, in which was a spray of wild currants; relishes--pickles, olives, and pickled pears. Mrs. Barker is a charming hostess, as all who have accepted her hospitality can testify, and was assisted by her daughters, Misses Vell and Hattie and Miss Gertrude Rast. The guests were: Dr. and Mrs. Oehme, Mrs. Child, Mrs. Willis, Mrs. and Miss Zigler.

High Grade Pianos.

How would it look if I were to advertise that I had Steinway, Knabe, Fisher and Neidman Pianos and some cheaper makes like Chickering, Kimball and others? It is just as consistent to say that Neidman is cheap, for there is no better upright piano made. It has always stood among the high grades; it has never been bought cheap and never was sold as such, for it has to compete against all the high grade pianos that are now on the market.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundations of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
