Council Proceedings.

At the regular meeting of the city council, last Monday night, Councilmen Norman and Kohlhaugen were absent, the following business was transacted:

The proposition to deflect the course of the big water ditch, now running through the city, and turn it into the city sewers, was voted down, the vote standing three to two. The majority argued that the sewer would not carry the water.

Contract was entered into with Sykes and Carroll, for the construction of a sewer in the alley between Pine and Stephens Street, block 76, 3rd Southern Addition to Roseburg.

Miller and Evans were granted permission to use part of Cass and Jackson street opposite their property, during the construction of their new building.

Ordered that H. T. McClallen, administrator of the estate of Mrs. D. C. McClallen, deceased, be notified to immediately construct a sidewalk on the east side of Jackson Street between Douglas and Spring alley. If Mr. McClallen refuses to act within two weeks, the city will build said walk at the expense of the estate.

Z. C. Corbett made the city the following proposition: If the city would grant him a franchise, in the event of discovery, to lay gas pipes throughout the city and operate a plant, he would spend \$10,000 in experimental boring in Roseburg for natural gas. An ordinance covering the matter was read for the first time and finally referred to the committee on fire and water.

Committee was appointed to purchase sewer pipe for the ditch across Main and Jackson Streets.

Ordinance giving a franchise to S. K. Sykes for a street railway read for the second time and referred to committee on electric lights.

Dog tax ordinance read and adopted.

Petition signed by twenty abutting property owners for improvement of Pine Street from south side of Cass Street to Burk Street, granted.

City Treasurer H. C. Slocum was instructed to call in \$2,500 worth of outstanding warrants.

Base Ball Doings.

Baseball matters are at a white heat in the Willamette Valley League at the present time and all teams are on their metal as next Saturday the league games will commence, when Roseburg meets Eugene on the latter's field, and Salem meets Albany at Albany for both Saturday and Sunday games. The probable line-up of the Roseburg team will be: Bradley, C; Marrow, pitcher; Gray, 1st B; Westbrook, 2d B; Rea, 3d B; Baker, short stop; Van Leuwen, Hull and Ramp in the field. Manager S. S. Josephson will accompany the team on its initial trip as will Louis Reizenstein and Irwin Gibson who will attempt to fill the place of any one who may suffer from stage fright. Although the Roseburg team has been at a disadvantage in practice and are lacking in team work it is probable that they will be among the top notches before the season ends. Following is the new official schedule:

At Albany—Salem, May 9-10; Roseburg, May 23-24; Eugene, June 13-14; Salem, June 27-28; Eugene, July 11-12; Roseburg, July 18-19.

At Salem—Eugene, May 16-17; Albany, May 30-31; Roseburg, June 6-7; Albany, June 20-21; Roseburg, July 4-5; Eugene, July 25-26.

At Eugene—Roseburg, May 9-10; Salem, May 23-24; Albany, June 6-7; Roseburg, June 20-21; Albany, July 4-5; Salem, July 18-19.

At Roseburg—Albany, May 16-17; Eugene, May 30-31; Salem, June 13-14; Eugene, June 27-28; Salem, July 11-12; Albany, July 25-26.

This gives 12 games for each city, 24 in all for each club.

Bert Vincent, of Eugene, and Dr. Olinhouse, of Salem, will act as official umpires.

The claim of F. F. Patterson against the S. P. Co. for \$75 damages sustained by the loss of his horse and cart at "that dangerous crossing" last Saturday morning, was settled yesterday afternoon by Manager Koceler and Supt. Fields who were in this city. And again the flagman has been replaced at the crossing so now our citizens can cross this piece of the dangerous track with a degree of safety. We do not know how long the flagman may be retained, but expect as soon as all is quiet he will be removed.

C. Foagles, an enterprising farmer of Drain, was in the city, on Tuesday transacting business.

W. F. Griffin, whose right arm was so badly crushed some time ago by being run over by a car wheel, has fully recovered, and is again at his old position of freight brakeman.

"The Unknown," has proved itself a most successful drama, and in the hands of the Readick Stock Company it receives most excellent treatment and is staged in truly artistic manner. Opera House tonight.

Patterson for the construction of a large, modern two story store and office building on the corner of Jackson and Cass streets, where the buildings now occupied by R. R. It will include two large business rooms on the ground floor with office rooms above, and heater in the basement for warming the entire structure.
