##### STANDING OF THE TEAMS.

Team	Games Played	Games Lost	Per Cent
Roseburg	4	2	.50
Albany	4	2	.50
Eugene	4	2	.50

The league base ball games opened in Roseburg Saturday under very unfavorable weather conditions and as a consequence the Roseburg lovers of good ball were not gratified. The contesting teams were Albany and Roseburg and each won a game, and as Salem and Eugene divided honors at Salem, the contesting teams are again all on the same footing of 500 per cent each.

In Saturday's game Morrow occupied the slab for the "Grays" and the local fans were somewhat disappointed in his twirling as were they also in his fielding; but Sunday he redeemed himself by excellent work behind the bat.

In Sunday's game Bradley did excellent work, both with the ball and in fielding, and Morrow's stick work was the feature of the game. Re did excellent fielding in the latter part of the game, but he attempted to play to the grand stand by "putting in" on two infield flies which should have been fielded by Baker and Westbrook, respectively, as either is as sure a catch as Rea. This series of games has demonstrated that Roseburg needs practice and team work; and if they do not work together will resemble the noted Portland Browns in their great parody on base ball. In Sunday's game Roseburg batted two pitchers out of the box and would have in all probabilities done the same for Bilyeu on his second appearance had not the game ended. Big Sam Dugger, who made himself unpopular with the grand stand, Saturday, by jowling with the umpire on the question of a "balk" while he (Dugger) was acting as scorer, proved to be a puddin for the Grays as nine scores were registered by them during his sojourn in the box. Many errors in fielding were also marked down against the "lop pickers" during the fifth, sixth and seventh innings.

Burt Vincent, of Eugene, who umpired the games, although a little off at times in regard to balls and strikes, was fair in his decisions, and he demonstrated that he knew what a "balk" consisted of when he called two of them on Dugger.

Following is the line-up for Saturday's game.

Roseburg	Albany
Gray	1st B Dorsey
Rea	2d B Danforth
Bradley	3d B R. McFarland
Baker	SS Lee

Reizenstein	C Snyder

#### Mining Company Incorporated.

Alec Lundberg, John Lindquist, John Crowley and Michael Goetz have incorporated a mining company to operate their six claims which lay in the Bohemia district. The \$5000 capital stock is fully paid up, and is now assessable, being all owned by the incorporators. As soon as the company is fully incorporated they will begin active mining operations. These men are all practical miners, and before the season closes they will have made some good developments. Early Morning Blaze Destroys Property Valued at \$22,500.

##### SPECIAL TO PLAINDEALER.

ASHLAND, ORE., May 18.—Fire early this morning destroyed a block of buildings near the depot, along the west line of Fourth street. Half of the block consisted of one-story wooden structures and they burned so fiercely that the adjacent brick buildings on both sides were also destroyed. The total loss is \$22,500 with insurance of \$10,000. Mitchell's livery and feed stables directly opposite the center of conflagration was saved from destruction by the absence of wind. The heaviest loser is G. A. Gurnea who loses goods in the store and furniture in his lodging house to the extent of \$6000, on which there is no insurance.

#### DIED.

BURNETTE.—At Coburg, Lane county, Oregon, May 11, 1903, little Katie Burnette, at the age of ten years and eight months.

She was sick only a few hours, and was buried at Eugene, Lane county, on May 12th. She was the only child of Ed Burnette, of Drain. We extend to him our heartfelt sympathy in the loss of an only child, and ask him to look to Jesus, Who, alone, can help him in the hour of this great sorrow.

Peaceful be thy silent slumber,  
Peaceful in the grave so low;  
Thou no more will join our number,  
Thou no more our sorrows know.  
Yet, again we hope to meet thee,  
When the day of life has fled,  
And in Heaven with joy to greet thee,  
Where no farewell tears are shed.

A young and happy life has passed,  
Gone to the bright reward at last;  
She paid the debt that we all owe  
When soon or late we all must go.  
She bore her suffering like a saint,  
Without a murmur of complaint;  
Her heart and hand were free from guile,  
Her heavenly face beamed with a smile.

Sleep on, darling Katie,  
Thou sweet, darling child,  
By sorrow unblighted,  
By sin undefiled.  
Like the dove of the ark  
Thou hast flown to thy rest,  
From the wild sea of strife  
To the home of the blest.

A FRIEND.

#### That Cottage Grove Shooting.

An account of the Cottage Grove accidental shooting of a woman by her husband says the revolver was placed "under her pillow to be used in case of necessity" when he was away. The necessity might have come but the using of the weapon by the woman was a remote possibility. The fact is loaded weapons have no place about the home in this part of the country.—Eugene Guard.

How could the man have taken the pistol from under the woman's pillow and not have known that the woman was not in bed? H—?
