Farmers are busy getting in their hay.

It seems as if we are in a prosperous condition, when we hear at noon and evening the whistle of the Creamery and Box factory and see fifteen men at work making the side track that will lead to the new depot now contemplated.

Cherries, Cherries, Oh My! We thought last year we were doing fair, shipping out cherries, but there have been one thousand gallons shipped this year by Bridges and Co. and Frank Hallineland demands for more. Mr. Bridges says next year a better market can be obtained for cherries but we can't complain this year. We have the reputation of growing the finest cherries anywhere for the market.

Luster Dangputy a lad of 14 years is preparing to go into the small fruit business, and we wish him success.

City Fathers Attention.

We wish to call the attention of the city fathers, to the condition of the side walk on the north side of Oak St. between Kane and Chadwick Sts. The cross walks in that part of town on the extreme east end are in even worse condition than the side walks, and it will be to the interest of the citizens of Roseburg that they have them fixed at once before somebody breaks an arm or leg or sues the city for damages.—Tax Payer.

Great Men and Great Pianos.

President Roosevelt has just bought a fine Knabe piano, and the late vice-president Hobart has at his residence a fine NEEDHAM, such as we are selling every day, right here at Roseburg, and since the good judgement of Roosevelt we have secured the agency for the Knabe and the J. & C. Fischer. These are all world-renowned pianos, of the highest standard. We have also in transit a lot of those medium pianos for which the people are paying all the way from \$275.00 to \$300.00 and even more. We are going to offer the same grade for \$150.00, \$175.00 and \$200.00. These figures will surprise those who have been buying those so-called high-grade pianos. Besides this lot we will have the genuine CABLE piano and not the Hobart M. Cable. It will pay you to see this line before buying a piano.

LEADING FABRICS.

Voile is Very Popular—Spots and Stripes All the Rage.

Voile takes the leading place in fabrics for it is now produced in all kinds of different makes, and above all, it is no longer stiff and wiry. The voile of the moment is distinctly of a silky texture and very transparent, lending itself admirably to the manipulation of folds, gangings and tucks.

Spots and stripes are all the rage in Paris, and they seem to be particularly charming in thin summery materials. Some of these spots are shaded and suggestive of two or three tones.

Then there are muslins, mousseline de sole, crepe de chine and new soft

Reduced Excursion Rate of the Seaside and Mountain Resorts for the Summer.

The Southern Pacific Company has placed on sale, at very low rates, around trip tickets to the various resorts along its lines, and also in connection with the Corvallis & Eastern Railroad, to Detroit and the seaside at Yaquina Bay, after tickets good for return until October 10th.

Three-day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates, from all points Eugene and north on both East and West Side Lines, enabling people to spend Sunday at the seaside. Very low round trip rates are also made between Portland and same points on the Southern Pacific, good going Saturdays, returning Sunday or Monday, allowing Portland people to spend Sunday in the country and the out-of-town people to have the day in Portland.

Tickets from Portland to Yaquina Bay, good for return via Albany and East Side, or Corvallis and West Side, at option of passenger. Baggage checked through to Newport. A new feature at Newport, this year, will be an un-to-date kindergarten in charge of an experienced Chicago teacher.

A beautifully illustrated booklet describing the seaside resorts on Yaquina Bay has been published by the Southern Pacific and Corvallis & Eastern railroads, and can be secured from any of their agents, or by addressing W. E. Conan, G. P. A., S. P. Co., Portland, or Edwin Stone, Manager C. and E. R. R., Albany, Oregon.
