

**Reduced Excursion Rate of the Seaside and Mountain Resorts for the Summer.**

The Southern Pacific Company has placed on sale, at very low rates, around trip tickets to the various resorts along its lines, and also in connection with the Corvallis & Eastern Railroad, to Detroit and the seaside at Yaquina Bay, after tickets good for return until October 10th.

Three-day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates, from all points Eugene and north on both East and West Side Lines, enabling people to spend Sunday at the seaside. Very low round trip rates are also made between Portland and same points on the Southern Pacific, good going Saturdays, returning Sunday or Monday, allowing Portland people to spend Sunday in the country and the out-of-town people to have the day in Portland.

Tickets from Portland to Yaquina Bay, good for return via Albany and East Side, or Corvallis and West Side, at option of passenger. Baggage checked through to Newport. A new feature at Newport, this year, will be an un-to-date kindergarten in charge of an experienced Chicago teacher.

A beautifully illustrated booklet describing the seaside resorts on Yaquina Bay has been published by the Southern Pacific and Corvallis & Eastern railroads, and can be secured from any of their agents, or by addressing W. E. Coman, G. P. A., S. P. Co., Portland, or Edwin Stone, Manager C. and E. R. R., Albany, Oregon.

Thursday night's westbound stage on the Myrtle Point stage line came near having a fatal accident. While going down Moore hill the driver attempted to put on the brake, but in some manner it had become out of order and the driver, Mr. Tom. Duncan, slipped and fell under the vehicle, the two wheels passing over his right leg. The horses dashed on down the hill and overturned the stage. Mr. T. Ollivant, an elderly gentleman who was a passenger was thrown out and severely bruised. The driver of the stage coming this way got another man to bring his stage to Roseburg and he gathered up the remains of the other and took them to Myrtle Point. At the latest report Mr. Duncan is getting along nicely but the other gentleman, Mr. Ollivant is still pretty badly used up.

New York is to have a building 45 stories high, to cost \$50,000,000.

Stockmen in Gopher valley near Yamhill have lost this summer about twenty head of calves, and in the vicinity of the foothills west of town calves are dying at an alarming rate. The disease has not been diagnosed, and no remedy has been tried successfully. Those who claim to be familiar with the blackleg say it is that which is carrying off the young stock.

The Klamath Lake Navigation company of Klamath Falls, has filed its articles of incorporation with the Secretary of State at Salem. The capital stock is \$10,000 and the incorporators are S. V. Short, G. H. Woodbury and E. E. Upmyer. The company is preparing to ply gasoline launches on the Klamath lakes.

Probably no heavier snow storm occurred during last winter than was witnessed last Monday morning July 6th. It came down in large flakes and soon covered the ground to the depth of 3/4 of an inch. Trees were bent to the ground with the heavy load, and many were broken down. It was a scene rarely witnessed and one that people could not believe unless they saw it with their own eyes.—Lakeview Examiner.

The C. K. Spaulding Log Company have three large log drives south of Salem, one on the Willamette a few miles above Albany, one on the South Santiam and another on the North Santiam. Over 10,000,000 feet of logs are being floated down these three rivers. They will be boomed at Newburg and the saw and pulp timber separated. The latter are towed to Oregon City later in the season. The company has about 75 men employed and about 20 teams are required to work the rivers.
