An Effective Threat.

A youth was engaged as junior clerk by a firm of lawyers, and by way of filling in his time and testing his worth on his first day he was told to write a letter demanding payment of a debt from a client who was long in arrears. To the great surprise of his employers a check for the amount arrived the next day. They sent for the young clerk and asked him to produce a copy of the letter which had had such an astonishing result. The letter ran as follows:

Dear Sir--If you do not at once remit payment of the amount which you owe us, we will take steps that will amaze you.

TRAIN AND TRACK.

More trolley lines are being built in Ohio than in any other state in the Union.

Railroad men say it costs 10 to 20 per cent more to operate railroads now than two years ago.

On account of the great rush of trolley line travel passenger cars carrying 100 persons are to be introduced on Illinois lines.

The capital stock of the Pennsylvania Railroad company is now \$400,000,000. The sum of \$5,000,000 is to be expended in Buffalo in elevated roads to obviate grade crossings.
