

**Life Restored by Salt**

The injection of a saline solution is reported from the Memorial hospital, Brooklyn, to have brought back to life a child who was really dead. Vera Clark, 11 years old, of No. 1133 Bergen street, Brooklyn, had bathed in the surf excessively, and several weeks ago she complained of pains in her abdomen. Dr. Herman E. Street was called in, and he pronounced the case one of appendicitis and advised immediate operation. The parents would not consent, and for several days the child was permitted to suffer, her condition becoming worse. Finally the parents consented to an operation, and Dr. John Hubbell Schall was called in. Dr. Schall said the child's condition was too serious and refused to operate.

Vera was sent to the Memorial hospital, and on July 14 Dr. Schall consented to operate, after telling the parents that without the operation the child must certainly die, and if the operation were performed there would not be one chance in a hundred of her surviving the shock.

Assisted by Dr. Street, Dr. Walter Isard and Dr. Weigle, Dr. Schall applied the knife, removed the appendix and a tumor as large as a man's fist, which had grown on it, and 5 inches of the intestines. The patient then collapsed. She no longer breathed. The heart had ceased to beat. Her limbs grew cold. All the doctors declared her dead. In a moment of inspiration Dr. Schell called for a salt solution. With this he washed the intestines and the abdominal cavity, sewed up the incisions and then injected a quantity of the solution into the veins. Slowly, but surely, life returned. The spark was small the first day. It increased and was watched day and night, increasing all the time. Today the child is one of the happiest patients in the hospital, surrounded with her toys and on the high road to recovery, having less than two weeks ago been declared dead.

**Reduced Excursion Rate of the Seaside and Mountain Resorts for the Summer.**

The Southern Pacific Company has placed on sale, at very low rates, around trip tickets to the various resorts along its lines, and also in connection with the Corvallis & Eastern Railroad, to Detroit and the seaside at Yaquina Bay, after tickets good for return until October 10th.

Three-day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates, from all points Eugene and north on both East and West Side Lines, enabling people to spend Sunday at the seaside. Very low round trip rates are also made between Portland and same points on the Southern Pacific, good going Saturdays, returning Sunday or Monday, allowing Portland people to spend Sunday in the country and the out-of-town people to have the day in Portland.

Tickets from Portland to Yaquina Bay, good for return via Albany and East Side, or Corvallis and West Side, at option of passenger. Baggage checked through to Newport. A new feature at Newport, this year, will be an up-to-date kindergarten in charge of an experienced Chicago teacher.

A beautifully illustrated booklet describing the seaside resorts on Yaquina Bay has been published by the Southern Pacific and Corvallis & Eastern railroads, and can be secured from any of their agents, or by addressing W. E. Conan, G. P. A., S. P. Co., Portland, or Edwin Stone, Manager C. and E. R., Albany, Oregon.
