

A Cracker Outrage

The Governor of Georgia has determined that the brutality practiced in the penitentiary shall cease. He has sent a special message to the Legislature demanding a thorough investigation of the whipping administered to Mamie Decris, the "diamond queen," at the state prison farm at Milledgeville.

Gov. Terrell called on the prison commissioners in person and demanded a fuller report than the commission had asked for, instructed the commission to send State Warden Moore to the state farm at once, and called for the discharge of the man who administered the whipping and the pardon of Miss Decris.

"I want the man who whipped that woman discharged," said the governor, "I want this matter probed to the bottom. Such a thing as whipping a white woman like that was outrageous, and I shall not have the name of the state disgraced with any such occurrences."

The resolutions in the legislature met with great favor. The senate resolution passed immediately and was sent to the house.

The legislators, in speaking of the resolutions for an investigation, were bitter in their comments. One might have thought, from the language used, that the Ashburn massacre was being denounced, instead of an occurrence here in Georgia.

Later reports from Milledgeville show that Miss Decris was tied down in the same manner that negro male convicts are treated and then whipped. Immediately after being lashed she was manacled to a negro and sent to the field in the boiling sun.

The true cause of the whipping was an effort to break her spirit so that she would be in the same relation that a woman in the penitentiary was a few months ago. At least this is what the Georgian reports would indicate. The following are extracts from her evidence before her investigating committee:

"At first I was treated as a member of the Allagood family," she declared. "Then this man made his proposals to me. I scorned him with all the vehemence and earnestness of my soul. From that moment his treatment, from that of a gentleman, changed to one of brutality and cruelty impossible to describe."

"I was without a friend, I had not one in the world to whom I could go. I knew as other convicts had told me, that unless I gave my honor, all in the world I had left, to this man, who had me at his mercy, I would be tortured and beaten within an inch of my life."

"He went after Dr. Adams and made him examine me physically to see if I were able to undergo the whipping. The doctor examined my person and said he thought I could stand punishment."

"Allagood made me lie across the bed. He then whipped me with the leather strap. "I had great welts on my body. The beating was administered from my hips down. For weeks these bruises and welts were on my body and for a long time I could not sit down."

It is said that even more sensational evidence will be offered by other female prisoners at the meeting of the investigation committee.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten caused by Catarrh, which is nothing but an inflamed condition of the mucous services.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

Piano Buyers.

You will notice that we do not have to be continually striking out for a new make of Pianos. The Needham has been our leader for 14 years and is today a leader among the high grade pianos of the world. Some cheap pianos are made high grade simply by getting a boost in the Oregonian or some other leading paper, through those big dealers who think they can, and do make the majority of people believe it simply because they say so. It doesn't take ink, boost or high commissions to make a good piano, but instead the very best material such as are always used in Needham pianos. 29-tf T. K.
