

**Well-Preserved Baldwin Apples.**

OREGON CITY, Sept. 2.—T. B. Killin, County Commissioner for Clackamas County, today brought to the city samples of the Baldwin variety of the apple family that were picked from the tree on September 23 last. The fruit is in a fair state of preservation at this time, with no evidence of decay. Commissioner Killan says he does nothing to prolong the natural state of the apple, which is kept in a clean cellar throughout the winter.

Mr. Killan resides in the south end of the county, and reports that there will not be to exceed half a crop of apples this year.

**Reduced Excursion Rate of the Seaside and Mountain Resorts for the Summer.**

The Southern Pacific Company has placed on sale, at very low rates, around trip tickets to the various resorts along its lines, and also in connection with the Carvallis & Eastern Railroad, to Detroit and the seaside at Yaquina Bay, after tickets good for return until October 10th.

Three-day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates, from all points Eugene and north on both East and West Side Lines, enabling people to spend Sunday at the seaside. Very low round trip rates are also made between Portland and same points on the Southern Pacific, good going Saturdays, returning Sunday or Monday, allowing Portland people to spend Sunday in the country and the out-of-town people to have the day in Portland.

Tickets from Portland to Yaquina Bay, good for return via Albany and East Side, or Corvallis and West Side, at option of passenger. Baggage checked through to Newport. A new feature at Newport, this year, will be an un-todate kindergarten in charge of an experienced Chicago teacher.

A beautifully illustrated booklet describing the seaside resorts on Yaquina Bay has been published by the Southern Pacific and Corvallis & Eastern railroads, and can be secured from any of their agents, or by addressing W. E. Coman, G. P. A., S. P. Co., Portland, or Edwin Stone, Manager C. and E. R. R., Albany, Oregon.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it, incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. C. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
