The Coos Bay Railroad.

The Marshfield Mail says considering the fact that the prospects for a railroad to Coos Bay seem actually brighter today than ever before, the thoughtful men may well ask himself, "why not?"

Why shouldn't we have several railroads? We all should recognize is sufficient inducement for the bridg- it possible to convert much of the ing of the short gap between us and semi-desert land of the world into the railroad system of the country. profitable grass-producing areas. With the exhausting of the Eastern timber supply, our lumber is wanted in the East, and the best way to get it is to build a road in here.

enough to cause the construction of a is cheaper than a board fence and will road tapping the timber supply all last a life-time and is put up to your along the coast from the Columbia to used and endorsed by the leading men San Francisco. All signs point to the of this county. For circulars and prices Examination Free. Office hours w to 12 a.m. 2 to 5 p.m. Graduate Still College of Osteopathy building of such a road in the near ddress Stearns & Chenoweth, Oakland, future.

But that does not begin to tell the story, for it leaves out the point which overshadows all other. The ton County, Maryland, nas located in timber supply will eventually become Roseburg, and he is a thorough master C exhausted; the coal may even be all of his art and prepared to do all kinds dug out; but the harbor will remain. of painting, paperhanging, graining, and And the harbor is where our real decorative painting in the highest style imperishable wealth lies.
