

Owing to the scarcity of hay, the large flock of men in the Baker City country are disposing of thousands of sheep for shipment East. Range sheep are in prime condition now, and the Eastern market is very tempting, owing to the fact that high prices rule. It is estimated that not less than 25,000 sheep will be shipped East from Baker City and nearby towns before the end of October. With hay ranging from \$8 to \$12 per ton in the stack and little for sale at that price, it does not appear to be the part of good judgment for a sheep owner to attempt to feed many sheep through a long and cold winter.

Reduced Excursion Rate of the Seaside and Mountain Resorts for the Summer.

The Southern Pacific Company has placed on sale, at very low rates, around trip tickets to the various resorts along its lines, and also in connection with the Corvallis & Eastern Railroad, to Detroit and the seaside at Yaquina Bay, latter tickets good for return until October 10th.

Three-day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates, from all points Eugene and north on both East and West Side Lines, enabling people to spend Sunday at the seaside. Very low round trip rates are also made between Portland and same points on the Southern Pacific, good going Saturdays, returning Sunday or Monday, allowing Portland people to spend Sunday in the country and the out-of-town people to have the day in Portland.

Tickets from Portland to Yaquina Bay, good for return via Albany and East Side, or Corvallis and West Side, at option of passenger. Baggage checked through to Newport. A new feature at Newport, this year, will be an up-to-date kindergarten in charge of an experienced Chicago teacher.

A beautifully illustrated booklet describing the seaside resorts on Yaquina Bay has been published by the Southern Pacific and Corvallis & Eastern railroads, and can be secured from any of their agents, or by addressing W. E. Coman, G. P. A., S. P. Co., Portland, or Edwin Stone, Manager C. and E. R. R., Albany, Oregon.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it, incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. C. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
