will be in vogue for the fall and winter. The

"Kaufman Denton"

is not extreme, but exceptionally nobby, cut from special designs. These coats are loose, yet they fit perfectly, and best of all, they in no way, resemble the ready made garment.

Young men, or men whose vocations are such that a free use of the limbs is necessary, will find these coats "just the thing."

The shoulders of these coats are perfect, the broad shoulder effect predominating.

The materials are many and are sure to please the most careful dresser.

The Second Southern Oregon District Agricultural Fair. The fair will open at Eugene on Tuesday, Sept. 29, and the Southern Pacific railroad has offered a rate of one and one-third fare for the round trip from all points on the line in Oregon.

There will be the best display of agricultural products and livestock ever exhibited in Western Oregon, as the railroad has offered free transportation of such to the fair.

The prizes have been doubled this year over last, as the State made an appropriation of \$1,800, the last year's appropriation being only \$900.

The next fair will undoubtedly be held at Roseburg and the citizens o-

Douglas county should make a point to attend the fair at Eugene and help make it a grand success and then we can expect Lane county to return the compliment next year.
