"I recommend Dr. Pierce's Pavorite Prescription to all young women who are in the same condition that I was in as one of the best remedies in existence. I have used eight bottles and find myself in perfect health. Accept my best wishes for your welfare to the end of your days."

Dr. Pierce's Favorite Prescription has been the means of preparing thousands of women for happy motherhood. It prevents or cures nausea, tranquilizes the nerves, encourages the appetite and in-duces refreshing sleep. It imparts great

vitality and muscular vigor so that the baby's advent is practically painless. It gives the mother strength to give her child, and is an unrivaled tonic for nursing mothers,
