can and democratic parties, but it and the local option law. affect the nomination of independent clash of interests at stake. candidates or the creation of new political parties. Yours truly, W. S. U'REN.

The PLAINDEALER is informed that been criminally assaulting a minor the question of local option. girl under fourteen years of age, and the offenses should be brought to the attention of the grand jury for full investigation, and, no matter who it is, high or low, rich or poor, that has proceedings, should be indicted and made to suffer for the crime.

There is altogether too much looseness and gadding around the streets as a result the criminal medical prac- Coshow.

tige is a paying business in some

The places of ill repute multiply. Saloons run bagnios in connection with their business and to such an extent has public life degenerated, as exemplified in private acts under the cover of night, that the laws should be most vigorously enforced

There are enough good, pure mer nd women in Roseburg to carry on : successful crusade against vice and to stem the plague of immorality now so virulent in the city.

Mothers, if you want to keep your daughters pure, keep them from walking on the streets at night.

Fathers, if you want your own nomes kept pure, regard as sacred the homes of other men, and bear this point in mind, that "no man iveth unto himself," but that every action in life has its bearing on thos around you. We need a crusade noral influence and example, and ietermination that the laws shall t enforced against vice and crime.

Chinese Aid Thibetans.

NEW YORK, May 11 .- Mounted nfantrymen returned May 6 to camp n the Karola and reported that they had killed 250 Thibetans during the pursuit after the force that opposed he advance of Colonel Younghus and's mission, says a Times dispate! rom Gyang-Tse, Thibet.

There is some suspicion of collusion etween the Thibetans and the Chi iese. Two English rifles were recap cured, one of which had been lost by Lieutenant Grant at Phari some nonths ago.

The Thibetans have strongly forti ied Jong and open fire upon every ne approaching the town. Some hundreds have taken residence in the monastery, whence they have opened fire upon the British troops. Persons of importance arrive daily at Jong and L'Hassa sends conscripts from monasteries and villages in a wide

In the attack on the mission com bound on May 8, when eight servants were killed, the Thibetans actually gained the walls. Only their shouting betrayed them in time to prevent indiscriminate slaughter of the post, weakened by the detachment of men for an expedition. The defenders were quickly in position and drove off the invaders. The sick men in the hospital insisted in joining the fighters and gave valuable assistance. Wakalee's Squirrel and
