After all, Nature's ways are found to be After all, Nature's ways are found to be the best. Nature's remedies are always best for cradicating disease, and by this we mean a medicine male of roots and berbs. They are assimilated in the stomach and taken up by the blood and are, therefore, the most potent means which can be employed for the regaining of lost health. Dr. R. V. Pierce, consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., in many years of extensive practice, found that he could pin his faith to an alterative extract of certain plants and roots for the cure of all blood diseases. This he called Dr. Pierce's plants and roots for the cure of all blood diseases. This he called Dr. Pierce's Golden Medical Discovery. Containing no alcohol nor narcotics, entirely vegetable, this "Discovery" makes rich red blood and is a powerful tissue builder, giving the tired business man or woman renewed strength and health. Rapidly growing school-girls and boys often show impoverished blood by the pimples or boils which appear on face or neck. To endicate the poisons from the blood, and feed the heart, lungs and stomach on pure blood nothing is so good as Br. Pierce's Golden Medical Discovery.

Good Advice Offered by Good Women.

Womanly Counsel Which Brings Womanly Comfort.

Suffering women sympathize with each other. Even though their condition seems hopeless, there is a common bond of suffering which draws them together. But no woman can sympathize with a woman who is sick, as can one who has herself had a similar sickness, and has been cured, and is once more a healthy,

stranger, an outcast Samaritan, to bind up the wounds of the injured man. And in answer to the master of TVI answer to the question of "Who was this man's neighbor?" it was answered, "He that showed kindness unto him." Neighborliness is not a thing dependent upon proximate residence or acquaintance, but upon the kindly spirit which

Washington Co., Pa., says: "With many thanks I write to let you know how ! am. I can say by God's help and you help I am well. I have taken six bottle of Dr. Pierce's Favorite Prescription and two of his 'Golden Medical Discovery and I can do all my work. I can't praise your medicine too highly. I will recon-mend your medicine as long as I live. If any one doubts this give them my address."

THOUSANDS OF NEIGHBORS

happy woman. Into such sympathy goes hope and help, good cheer and encour-

Suppose a woman suffering from some form of womanly disease, inflammation, alceration, prolapsus or several diseases in complication. She is weak, worn-out, miserable. Part of the time she keeps her bed-part of the time she drags around in constant pain. There comes to her a neighbor who has heard of her condition and this neighbor says: was like you are and I can tell you what cured me of every ache and pain." Suppose not one neighbor but a score or a hundred come and say in similar words: 'I was afflicted with a disease like yours, but I was told of a means of cure and by the use of this remedy was restored to perfect and permanent health." Would not such re-iterated statements from sympathic and reliable women bring the desire to try this means of cure which had brought health and strength to so many in a like condition?

Your neighbors recommend Doctor Pierce's Favorite Prescription for the cure of womanly diseases. They have tried it, been cured by it and are anxious that every suffering woman should be restored to health as they have been.

"My health is the best now that it has been for four years," writes Mrs. Phebe Morris, of Ira, Cayuga Co., N. Y., Box 52. "I have taken but two bottles of your medicine, 'Favorite Prescription' and 'Golden Medical Discovery.' These medicines have done me more good than all that I have ever taken before. I couldn't do my work only about half the time, and now I can work all the time for a family of four. Before I took your medicines I was sick in bed nearly half the time. My advice to all who are troubled with female weakness is to take Dr. Pierce's Favorite Prescription and Menical Discovery '-the most wonderful medicines in the world." WHO IS MY NEIGHBOR?

But the replier of this may say, "I do not know Mrs. Morris. I never heard of her. How can she be my neighbor?" There is an ancient parable based upon this very que dion of neighborliness. It relates to a certain man who fell among theives. His own countrymen passed theives. His own countrymen passed covers, or 31 stamps for cloth-bound vol by on the other side. It was left to a mme, to Dr. R. V. Pierce, Buffalo, N. Y.

seeks to help and comfort.

Mrs. Alice Adams, of Laboratory,

testify to a cure of their Dr. Pierce's Favorite Pre-

scription. It establishes regularity, heals inflammation and ulceration and cures female weakness. It cures nervousness, sleeplessness, headache, backache and other ailments caused by womanly diseases. "Several years ago I suffered severely from female weakness, prolapsus and menorrhagia, and used Dr. Pierce's Favorite Prescription with splendid effect," writes Fannie Shelton, of Washington, Iowa, "Glad I have not needed it for a few years past, but if I should have any return of the old trouble would surely try 'Favorite Prescription.' I have recommended it to

a number of my lady friends. I always tell them to try a bottle and if they are not benefited by it I will pay for the medicine. In every case they have spoken in praise of it." CAN I BE CURED?

At the last this question of cure comes down to a personal matter the trying many medicines and local physicians in vain it is no wonder that some women majority of women cured by "Paragrae Prescription" thought the same thing. Yet they were cured by the and of this remedy. It is a possibility that in some cases no complete cure can be made. But it is on record that "Favorite Prescription " has cured ninety-eight women out of every hundred who hat a fair and faithful trial. In the cases where a cure was impossible great benefit has been received, and relief from pain secured, though perfect healt

could not be re-established There are certain medicines which contain stimulants or narcotics which make the person using them "feel good" for a time, because they dull the sense of pain, but they do not produce any lasting benefit, "Favorite Prescription" con-tains no alcohol and is entirely free from opium, cocaine and all other narcotics It does not numb the nerves but nour

ishes them. Sick women are invited to consult Dr. Pierce, by letter, free, and an avoid the offensive examinations, in a sate que tionings and obnexious local treatment which the home physician often deems necessary. All letters addressed to De-Pierce are treated as strictly private as sacredly confidential. Address 1/r. R. V.
