Vote for Harry McClallen. There are but few in Douglas county who do not know of the efficient and enviable record which Harry has made during the past four years, as deputy sheriff. He has had personal supervision over the clerical department of the sheriff's office and his balances figure out to a cent. It requires a new man, no matter how competent, fully a year to acquire the routine of this, the heaviest and most responsible office in the county, and a man like Mr. McClallen, who has every account and source of information at his fingers' end, is a valuable man and the voters should appreciate the fact that the trial of any number of new men (although they may be good and intelligent) may not result in securing one half so efficient. Harry is known to be efficient and competent. Better vote for a sure thing.
