

In Unity With God.  
Man, perfect and secure,  
Is God's own image pure,  
And is immortal:  
No sorrow, pain nor sin  
Can ever pass within  
Man's golden portal.  
As vanishes the dense,  
Black cloud of mortal sense,  
Before God's splendor,  
New hope and joy I feel,  
And holy thoughts reveal  
His nature tender.  
His peace within my heart,  
From all the world apart,  
Is now abiding.  
My footsteps all the way  
Into eternal day  
His will is guiding.  
He is my life, my love;  
"In Him I live and move  
And have my being."  
Now night He gives to me,  
And I begin to see.  
From Him bright angels come,  
And cheer me, and illumine  
My strong endeavor  
To walk within His light,  
To utilize His might,  
And live Him ever.

Report from Oregon Farms.

The weather remained dry up to Saturday evening when cloudiness increased and showers and thunderstorms occurred nearly everywhere in the State. The rains were rather light in the foothills and mountains. These rains cleared the atmosphere of smoke, put out forest fires and were beneficial to late crops, but more rain is needed for potatoes, gardens and pasturage.  
The fall wheat crop has been cut, threshed and a large part of it hauled to the warehouses. It turned out very satisfactorily in nearly all parts of the State. Spring wheat cutting is well along in the Willamette valley it is practically completed and mostly all threshed. Spring wheat and oats are yielding better than expected earlier in the season, but both crops are below the average in quantity, though above the average in quality. Corn is doing remarkably well, and that planted early is now being harvested. Hopes are maturing rather slowly and picking will not become general until next week. The crop promises to be lighter than last year, but with favorable weather from now on the quality will be above the average. Pasturage is very short and, except in tide land sections, dairy herds have to be fed about as much as in the fall winter in order to keep up the flow of milk.  
Apples and peaches are ripe and plentiful in the market. French prunes will yield a full crop, but the Italians are lightest in years.

Joy Vented in Rhyme.

The Pendleton East Oregonian says: "The Umattila farmer wears a pad upon his back, his gallus chafes his shoulder 'neath the weight of buckskin sack; his chest has gone to market and his purse is filled with gold and the pad beneath his gallus keeps him from blistering himself. His pocket is of buckskin to hold the bulging store—the yield was 74 and the price was 74. The weight of twelve on one side makes him to walk in curves. This 'bumper' crop occasion is 'tearing on his nerves'! The stocking 'neath the pillow is sadly out of date—it is filled and running over, likewise its bulging mate. The tin can in the cellar has long been flooded over, and still the wheat receipts come in and still the prices soar! Oh, Umattila farmer, with pad upon your back, long may your gallus blister you, dragged down by weighty sack! Long may your wife's oldstocking be filled and running over; long may the yield climb upward; long may the prices soar! Just as you plow for purpose, just as you live for peace, may your purse be heavy, your blisters still increase!"

What makes the difference?

In Eugene 22 teachers failed to pass in Albany 10, and in Salem 3. Is it possible the further north one goes the brighter becomes the teacher; or, is it a matter of strictness, in which there is a golden mean observed in Linn county?—Albany Democrat.

Finds Curious Relic at Tioga.

While on a hunting trip in the Tioga country last week, A. Abbott of this place made a strange find in the mountains. Mr. Abbott was at a considerable distance from the camp in a wild and lonely spot looking for game when he came across what proved to be a Winchester rifle of the '73 model.  
The gun was badly rusted and looked as if it had lain for many years exposed to the weather. The lock was broken, the barrel and stock badly battered and altogether it appeared as though its former owner might have used it as a club to protect himself from the attack of some wild animal. As none of the old residents of that vicinity could give any information as to who had lost the gun, Mr. Abbott brought it home with him, pricing it very highly as a memento of the trip.—North Bend Post.

Gold and Skeletons Found.

The Galice Consolidated Mining Company has made a strike of a peculiar kind. It recently purchased a tract of gravel on the bank of Rogue river, near Grants Pass, and has just completed a ditch to it. In prospecting the bar an old Indian burying ground was uncovered, and up to date at least 100 skulls and a corresponding number of bones have been washed out.  
This bar was the scene of one of the closing battles of the Rogue River war, and the bodies of the Indians killed at that time are among the find. The major portion of them, however, are much older than those buried in the '80s and were probably in the ground when Lewis and Clark visited the coast. Arrow heads and old Indian jewelry are found in the graves. The ground is rich in gold, and the company will work it next year, an elevator being now put in place for that purpose.

MRS. JOHN FREEBURY, PROPRIETOR

After a Get-Rich-Quick Concern.

A fraud order has been issued by the United States Postoffice Department against the Pacific Guarantee and Investment Company, doing business at 916 Market street in San Francisco, and having branch offices in Chicago, St. Louis, Hartford, Conn., San Jose, Los Angeles, Berkeley, Sacramento, Reno, Portland and Roseburg.  
The order is the result of an aggressive campaign which the postal inspectors have begun with the object of ridding the country of a large number of so-called get-rich-quick concerns. Officers of the Pacific Guarantee and Investment Company claim they are doing a legitimate business and that their contracts are based upon something tangible in real estate investments, loans, etc.

Postoffice inspectors, on the other hand, assert that the Pacific Company comes under the government prohibitive act, embracing features of lottery in the selection of serial numbers of contracts and in failing to invest the money in any earning capacity.  
The company promises to cancel all contracts at the rate of \$1.50 for \$1. These contracts, of course, are not cancelled until they mature, and the holder must, in the meantime, take care that the monthly or weekly payments have not been allowed to lapse.

Emergency Medicines.

It is a great convenience to have at hand reliable remedies for use in case of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite is not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third the time usually required, and as it is an antiseptic it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before inflammation sets in, which incurs a quick recovery. For sale by A. C. Marsters & Co.

Gambler Killed.

Jack Chiswell, a gambler, was seriously cut and by D. Reed, a brakeman on the Corvallis & Eastern railroad, was dangerously shot in Newport, Oregon's noted summer resort, at 5 o'clock Sunday afternoon as a result of a row between the two men. Reed became engaged in an altercation with Chiswell, who resides in Albany, but is running a game in Newport during the present season. The difficulty is said to have come about over attentions paid by the two men to some women at the seaside resort.

In Praise Of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bad trouble and took all kinds of medicine without getting any relief, when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind."
