YONGALLA, Or., Nov. 15, 1904. EDITOR PLAINDEALER:-Youcalla and cicinity are very tore over your report er's account of list week's football game at Yoncalla. We are loyal to the PLAIN-DEALER and are sorry that one of the leading papers of Southern Oregon would permit such a "false report" or

reporter to come to Yoncalla to repre-In the first place, Roseburg was only penalized by referee Devore and that was in the last half, as he only refereed that part of the game, Johnson holding that honor during the first half. He penalized Yoncalia once. But say that Devore was wrong, it was only once and your report says several times, and claims that we had the referee during the whole game. While Roseburg showed that they had superior practice and played in Yoncalla's field in the early part of the game, they never had a shadow of a chance of scoring, in either half and Yoncalls played most of the last half in Roseburg's field, and came near scoring twice. When the game Frank Natter fata'ly shot at Heppner, closed Yoncalla was in a few yards of Roseburg's goal.

These are facts written after a careful review of the game, and we are only glad that we had a strawfield instead of Clackland crack. We believe the Plain-DEALER will not be partial in this matter as we have no paper here.

Very truly yours, MANAGER YONCALLA FOOTBALL TEAM.
