Until the drain on your system produces permanent disability. The human breathing machinery is a wonderful system of tubes and cells. To have good health it must be kept in good order. A COLD is considered of no in tance, yet if it was known by it's proper name of "threat inflammation," or "congestion of the lungs." its dangerous character would be appreciated. When a cold makes its appearance use at once Ballard's Hore-hound Syrup which will speedily overcome it.
