Both Roseburg papers recently refused
to renew their annual advertising con-
tracts with the S. P. Railroad company,
because a new clause had been inserted
in the contract confining the use of
"passes" so-called, to the editor and
family only, but for which full com-
pensation is given to the company in
advertising and announcements. Here-
tofore the company has granted trans-
portation facilities to the business
manager or solicitor and collector of
the newspaper, who are the members of
the craft the most accommodated by such
transportation. The Railroad Company
always seems to look upon the exchange
of transportation for advertising as a
great favor to the press and one for
which the papers are under obligations.
However, we are willing to pay our way
on the railroad and in return require
cash payment at regular advertising
rates for notices and announcements
published by the Railroad Company.

E. Church several years ago.

Rural Telephone Lines.—A meeting
was held at Glendale last Saturday for
the purpose of considering the organization
of a rural telephone association and
building a line to Roseburg. This
meeting resulted in the organization of
the Peel and Glendale Telephone Co.,
with H. L. Engles, president, Frank
Livingston, secretary, and Leslie Lily,
treasurer. Which officers comprise a
committee to superintend and manage
construction work on the proposed
line, upon which work will commence
soon. It is the intention to connect
this new line with the Deer Creek line
from Roseburg which terminates at R.
L. Cannon's place. From the Cannon
farm the line will be extended to Geo.
Shrum's place on the East Umpqua,
with branches from there to Peel and
Glendale, respectively. From Glendale
another line is to be extended westward
3 1/2 miles to the Samuel Blakely farm,
making a total of 14 or 15 miles of new
line, upon which all the phones it can
carry are already subscribed, and its
success is therefore assured in advance.
It is also stated that the Oak Creek
settlement is considering a proposition
of connecting a line with the Deer Creek
line at Dixonville, which would cover
a distance of 5 1/2 miles and terminate
within three miles of the Blakely farm.
If as is anticipated the Deer Creek
line is extended to Gardiner this
season Douglas County will be well
equipped with phone communication.

Mahara's Minstrels.—The famous
Mahara's Operatic Minstrels announced
for Jan. 28 is a superb combination of
all the best and most popular of opera,
travesty, vaudeville, music, snappy
specialties, beautiful costumes, funny
comedians, novel dances, special scenery
brilliant electrical effects, pretty girls,
pantomime ensembles, bewildering
drills, and all the latest song hits
and many new and original stage novelties.
The entire performance is presented by
a metropolitan organization of the fore-
most colored singers, comedians, and
specialty artists of their race in America.
More brilliant music, entertaining
vaudeville numbers and hearty laugh-
ing are crowded into two and one half
hours of Mahara's Minstrels than would
supply half a dozen of the average
musical farce comedies.

A Model County Paper.—A friend in
sending a remittance to the Plaindealer

than ordinary attention from the public
in the last few months, and seems to be
exerting a greater influence than ever
before. It is a model county news-
paper."

the National Art and Crayon Co., of
Chicago, in receiving and delivering en-

Mahara's Minstrels is pronounced
one of the best colored minstrel troupes.
In most colored minstrel shows the fun-
ny part of the performance is much overdone,
but in this one it is carried on in such a
manner that it never failed to please the
audience. The introduction of lady
actors into minstrel shows takes out that
ancient effect, for every theatre goer is
tired of the old time minstrel show. The
singing and dancing with this show has
no equal, in fact, every act was far
above the average. At Roseburg The-

Odd Fellows at Canyonville

Jan. 21 were as follows:

"Yod" Ash, V. G.; C. W. Jackson, Sec;
Geo. W. Peckett, Treas.; W. J. Yokum,
Warden; Peter Ulam, Conductor; Wal-
ter S. Cornutt, I. G.; Geo. Hughes, R. S. N.
G.; John Fallin, L. S. N. G.; S. C. Ball, R. S.
V. G.; H. H. Alcott, L. S. V. G.; Jas. Over-
street, R. S. S.

excellent lunch and a stage of after-

tired, all voting that they had enjoyed
a most pleasant evening.

A Pleasant Evening at Yoncalla

Yoncalla, Jan. 23, 1906.
While the pleasant occasion of the or-
ganization of Golden Link Rebekah
Lodge remains only a memory, it was
my good fortune to be present at one
equally as pleasant, the joint installa-
tion of the officers of the Odd Fellows
and Rebekahs Jan. 22.

The meeting consisted of our own
lodge and a part of the brotherhood and
sisterhood [and no small factor] of the
Roseburg Lodge, with one member from
Oakland, three from Drain, and one,
Miss Lamson, from Portland, making
our number sixty. On this occasion
was framed some of the undertakings
for the coming year.

We greeted with gladness the arrival
of the brothers and sisters of other
lodges for it was through the efforts of
the brothers and sisters of the Roseburg
lodge united with the efforts of Mr. and
Mrs. Brawn of Yoncalla, that we now
have our beloved Golden Link lodge
here at home, and the golden links that
binds our hearts in one.

After the installation of officers we
listened to several able speeches, one by
Brother Micelli, of Roseburg, and one
by Miss Lamson of Portland, and many
others that may well be treasured up in
our memories. As time rolls on and we
glance backward this meeting will be
among the most pleasant in our recol-
lections.

After our pleasant visits were ended
we repaired to the banquet hall of Mrs.
McCurdy and each did justice to a boun-
tiful supper.

As the sounds of the departing train
died away the numerous guests were
wished "God Speed" on their home-
ward journey.

Our sincere thanks are due to each
and all who visited us that night. And
I take the liberty to express my appre-
ciation for the services rendered by
every visiting brother and sister on be-
half of the home lodge. Their exceed-
ing kindness and cordiality to us was in-
deed greatly appreciated and it is my
sincere prayer that great and good re-
sults may follow the efforts of the noble
order of the Odd Fellows and Rebekahs.

Pioneer Goes to Rest.

John Byron, one of the oldest of Ore-
gon's honored pioneers, died Sunday,
Jan. 22, 1906, at his home at Olalla,
Douglas County, where he had resided
for over a half century. Heart trouble,
complicated by infirmities attending old
age, was the cause of Mr. Byron's death.
He was 79 years of age.

Mr. Byron was born in Wicklow coun-
ty, Ireland, on March 25, 1825. He
came to the United States in 1847 and
in 1862 he crossed the plains and settled
within the vicinity subsequently named
Olalla, 18 miles southwest of Roseburg.
In 1862, Mr. Byron was united in mar-
riage with Miss Elizabeth Cloake, sister
of Arthur Cloake, who lives near Rose-
burg, and who survives him. He leaves
no children. Mr. Byron was a brother
of Mon. James Byron, also of Olalla,
and a pioneer equally as well known.

Mr. Byron was the oldest resident and
largest landowner of Olalla and an In-
dian war veteran.
The funeral was held on Tuesday, Jan.
24, with services conducted by Rev.
Thos. O'Carroll of the Catholic church
of Roseburg, of which the deceased was
a member. Interment in the cemetery
at Brockway.—X

JOSEPHSON'S THE BIG STORE

C. W. Smith Struck by a Car.

An Arizona newspaper of Jan. 18, has
this to say about an accident which be-
fell a former resident of Roseburg, in
that state recently.

About 9:30 this morning C. W. Smith,
an aged man who is said to have passed
86 years, was struck by a car which was
being pushed by a switch engine in
front of the depot and sustained a gen-
eral shaking up, the breaking of several
ribs on the right side and narrowly
escaped with his life. In fact, on ac-
count of his years, the accident may yet
prove fatal, though Dr. Olcott, who
attended him at the hospital, could not
say specifically that it would for the
simple reason that great age often
causes what might be only an ordinary
casualty in a younger man to end in
death, and still the physicians, for that
reason, cannot pass quick judgment as
they could on a young man.

It appears that the old gentleman was
standing between two tracks, looking at
something, when the car, pushed by the
engine, bore down on him. Seeing that
he must inevitably be struck as he stood
there and several bystanders called to
him to get out of the way. Had he
stepped back a little he would have been
all right, but instead, perhaps being a
little deaf or getting a little rattled, he
took a couple of steps forward, the sec-
ond one being just a trifle too slow, so
the end of the car hit him, knocking him
down and very nearly under the car.

Kind hands lifted him up and bore
him to the Southern Pacific ambulance,
which conveyed him to the hospital. He
has a son who is employed as a clerk
in the shops, but whether there are other
relatives was not ascertained. No
blame could be attached to the railroad
men from the testimony of onlookers.

T. A. Mason, of Wolf Creek, has
again located in this city to resume his
trade as a contractor and builder.

John Hall, of Myrtle Creek, was a
county seat visitor Wednesday. Cattle
and sheep are holding their own in ex-
cellent shape, and the indications are,
will be in fine condition when spring
opens. No feeding has been found
necessary.

the stockholders be present.

Rev. Charles P. B. Martin, L. L. D.

Of Waverly, Texas, writes: "Of a
morning when first rising, I often find a
troublesome collection of phlegm
which produces a cough and is very
hard to dislodge; but a small quantity of
Ballard's Horehound Syrup will at once
dislodge and the trouble is over. I
can most cordially recommend it to all
persons needing a medicine for throat or
lung trouble." For sale by A. C. Mar-
