From the hour his paper was started to the present time he has been solicited to be upon every given subject, and can't remember having told a wholesome truth without diminishing his subscription list or making an enemy. Under these circumstances of trial, and having a thorough contempt for himself, he retires in order to recruit his moral constitution."

"My mother was a sufferer for many years, says W. H. Howard of Hubbard, Pennsylvania. At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried. In fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with."
