Fine Pianos for Little Money.

Never before in the history of Southern Oregon, has there been such a display of fine pianos and organs, graphones and small instruments, as Burrs Music House is showing to the public.

On Mr. Burr's recent trip east, he secured some rare instruments at some startling low prices, and he is going to give his patrons the benefit of some extremely low figures. Think of a brand new Kimball piano in an antique oak case, one of Chicago's best products for \$35.00; one lovely brand new Jacob Doll in a burr walnut case \$288.00, and will accept \$150.00 down and \$8 per month.

A brand new Shurman piano, that we have known other dealers to sell \$390.00 for \$400.00; our price, if taken at once \$243.00.

We also have a fine bargain in second hand or used pianos one of Kimball in a black case in perfect condition for \$125, another piano used only three years for \$165. We also have some rare bargains in organs but space will not permit us to enumerate them.

Graphones

We are agents for the Columbia, Victor, Zonophone, Talkophone, and Edison machines and we constantly carry a stock of from twenty to thirty machines for you to select from, easy payment if desired.

Small Instruments.

Our stock of violins, mandolins and guitars were never so complete as now, and if you will call at our store we will convince you that our prices are one-third lower than ever offered in Southern Oregon before.

Call or write for prices today.
