#### THE FARM IS A VERY GOOD SCHOOL

By Professor L. H. BAILEY, Head of the Agrico Cornell University

VEN if a farm boy has never, perhaps, had much schooling he rises high, for THE FARM IS, AFTER ALL, A VERY GOOD SCHOOL. A boy has to do things there for himself. If anything breaks down he doesn't need to call an expert to his assistance. He has learned to do actual things-to solve a problem for himself. He knows, therefore, how to solve the next problem.

And when he goes out into the world and begins his life work he takes hold of first things and readily solves them. All the time you ered with a rope always unravels it twenty (20), both inclusive, the northwest are doing your work here you are SOLVING PROBLEMS. The old idea was to solve problems in a book. That isn't true today. All over the country they are establishing schools of agriculture.

AGRICULTURE IS ITSELF AN EDUCATION WHICH TRAINS AS WELL AS BOOKS TRAIN. THE BEST EDUCATION-WHAT IS IT? IT IS ONE WHICH PUTS YOUR HANDS AND MIND TO WORK AT THE SAME TIME. AGRICULTURE MAKES A MAN THINK FOR HIM-SELF: IT MAKES HIM FIT TO TAKE UP THE PROBLEMS OF LIFE.

We have lived in an era of the building of large cities. Boys have run away from farms and have built the cities. But WHO NOW IS TO FURNISH THE CITIES WITH PRODUCTS, WITH THE THINGS WHICH GO TO MAKE UP THE THINGS IN A CITY? So people are going back to the countryto the farms. With the proper application of science and business methods farms can be made to pay as well as other businesses. In the country there are opportunities for almost every one to make AN HONEST LIVING.

This, after all, is the life. And a school of this sort is THE REAL PLACE for you to live in. You are put in touch with real problems of life. You are learning things which are going to be of a large and reliable Chicago firm to in- tions thirty-five 35, to thirty-six, 36; all in

#### Philosophy's Effect .....Upon Religion

NE who reads the signs of the times discerns a great slump in the Christian faith, and there is needed a downright, EARNEST REVIVAL of intellectual conviction.

Too much of the preaching of the present day is a mixture of sociology and sentimentality, and instead of Christianizing A good time is promised those who atsociety the tendency is TO SOCIALIZE CHRISTIANITY.

One is asked so often why more students in the universities do not come forward to enter the ministry. I could name at least half a dozen who came to college WITH THE INTENTION OF BE-COMING PREACHERS, but before the end of their course had concluded that other fields were better for their energies.

One reason for this defection is that THE PRESENT INTEL-LECTUAL UNREST weighs with terrific force on the minds and consciences of young men. They are not ready to give assent to ALL that is required in the

church of their choice. With their attitude unsettled on philosophic questions they do not see their way clear to enter the ministry.

A TREMENDOUS AMOUNT OF RESPONSIBILITY JUST NOW RESTS ON THE MEN WHO HOLD THE CHAIRS OF PHILOSOPHY

#### Bachelors Are Abnormalities

N the long run, WHAT UPHOLDS THE FAMILY WILL UPHOLD THE STATE. The state cannot exist without the home. If the home is left out none of that solid moral fiber can exist in the nation which must come from home virtues. Good morals are nothing less than the regularities and the ordinaries of social life between morals and religion. There can be no dividing line. Good morals are a constituent part of life.

INDIVIDUALISM IS DANGER TO THE STATE. BACHELORS AND CLUB MEN ARE THE BANDITS, GUERRILLAS AND OUTCASTS.

I would be in favor, if it were possible to do such things by law, of A SPECIAL TAX UPON BACHELORS. They don't take part in the moral work of society. They are ABNORMALITIES, and abnormalities should pay the taxes.

The unit of society and the state is the family. Beware of the doctrines which base themselves upon false conceptions of individualism instead of the family, WHICH IS THE ONLY SOCIAL April, 1905, and until 2 o clock p m of May 1, less UNIT.
