HENEY'S HYPNOTIZED JURY.

The Salem Statesman very truthfully remarks that "the Portland newspapers are disturbed over the fact that the men who have been indicted by the hypnotized grand jury, under the direction of Hitchcock, are making any fuss about it. In fact, according to the irresponsible and is the use of courts and trial juries, boom instead of reaction. anyway, as long as there are grand juries and yellow journals?"

THE FARMER'S DREAM

A farmer had a dream. He dreamed that he had raised four thousand bushels of corn and that he was hap- whipping post for a wife-beater any by over the fact. Then he dreamed more demoralizing in its effect upon bushel and his happmess was great- a wife murderer? er. But he dreamed now that he had sold it to four thousand different peo-When he awoke it was broad daylight might be indicted on several counts. and leaping out of bed, he exclaimed to his wife:

"Rebecca, I have had a solemn warning and I know the meaning of it. I am going right off to town and pay that printer the dollar I owe him on the paper."

The railroads have decided to be good to the 1905 fair. They have in the United States. Now the problem will be to take care of the people who will come. The crowds will be a surprise to the most pyrotechnical in imagination. rob the dead.

A prospective Springfield merchant efuses to pay the freight on his household goods from Portland to Springfield on the grounds that his freight from Illinois to Portland amounted to \$161 which he paid and Charged With Trying to Effect a on the arrival of the goods at Springfield there was attached a charge of \$171 from Portland. He refused to pay this amount, claiming it is exessive. He has sued them for \$500 for delay of the car. He demands experience is not going to very favorably impress new homeseekers and investors with Oregon's boasted advantages and opportunities.

A. E. Parker of Salem, who recently returned from that country, prediets that Mexico will be a part of the United States inside of 10 years. This may seem rather soon, but Mr. Parker says American interests are becoming greater in that country all the time, and the sentiment for annexation is constantly growing, and blaze forth and become intenseespecially when President Diaz shall have passed away and all kinds of addestinies of the alleged republic.

Teddy is proving an adept at jollying the rank and file. Texans are pursuaded that the President thinks more of their state than of any other. Kansans believe he thinks their state

HENEY GETS DELAY **UNTIL THIS MONDAY**

Portland, April 15.-Argument upon ionally becomes sluggish, and time is Heney and Judge Bennett, Senator ost in changing temperatures. Two Mitchell's counsel, cross swords for the WEBER SENTENCED installation of an automatic regulating which is impending, but they were dissystem in each of the buildings, would, appointed. The proceedings were brief.

The arraignment of Congressman J. N. Williamson, which had been set for Friday was postponed until Saturday owing the the fact that he had not arrived from The Dalles.

Mr. Hency stated to the court that is response to Senator Mitchell's plea in abatement, he desired permission to file ither a replication or a demurrer, as might seem desirable after further investigation. Judge Bennett interposed to objection, though he expressed a desire to learn as soon as possible the nature of the pleading which the government would present, and intimated that if questions of fact were to be raised be might not be prepared for argument

TO HANG IN JUNE

Auburn, Cal, April 13-Adolph Weber was today sentenced to be hanged on June 30, at Folso m prison, for the murder of his mother. A motion for a new trial was denied. He turned pale when ordered to stand up for his sentence. He refused, saving: "What for?" He said, "he wanted the lock produced,' alluding to the lock of the bathroom said to be evidence that the elder Weber was locked in the room Weber was finally induced to arise and was sentenced.
