### FOSTER PLEAD GUILTY

J. G. Barnes Indicted For Murder of Graham at Glendale.

Bigelow Acquitted

The grand jury and the circuit court have been working hard all the week finding indictments and trying cases.

H. A. Schmidt and Louis Norton were each sentenced to two years in the penitentiary, Tuesday. Schmidt for obtaining money under false pretenses, two counts, and Norton on a charge of forgery.

The grand jury entered the court room this morning at 9:35 o'clock and returned a true bill against J. G. Barnes charging him with the murder of Wm. Graham near Glendale, the charged remains having been found on the morning of May 1 as previously reported in the Plaindealer. Barnes was brought before the court and will take until tomorrow morning to enter his plea. In answer to the court he said he (Barnes) would take care of his own case, but Judge Hamilton suggested that perhaps he would need some help and appointed J. A. Buchanan as his attorney.

N. A. Foster, of Oakland, appeared in court this morning in answer to the true bill found against him, charging him with the crime of rape upon the person of his own daughter. Foster entered a plea of guilty and will be sentenced at 10 o'clock tomorrow morning.

A true bill was found against S. J. Culver for pointing a loaded gun at J. W. Dirk, the case was tried by a jury yesterday and it returned a verdict of guilty. Mr. Culver was fined \$100 and costs, which were paid.

Clarence Kennedy a minor pleaded guilty to the charge of larceny of a revolver and was ordered committed to the Reform School.

In the case of Bigelow, charged with the crime of rape, the jury returned not a true bill.

CONTRACTOR HUNTER WINS AGAIN

Churchill & Woolley vs John Hunter appeal from justice court. Verdict for defendant.

This is the case which was appealed from the justice court, regarding a disputed account. It seems that Defendant John Hunter tendered the firm of Churchill & Woolley a check in settlement of his account on which he had written "in full of account." The firm accepted the check, but afterwards erased or struck out the words "in full of account" and alleged that there was still a small balance due the firm which was still to collect. Defendant was represented by the well known and eminently successful law firm of Watson and Caldwell in the justice court, in which a verdict or decision was rendered in favor of the defendant. The case was appealed and the decision in the justice court was sustained by a jury trial this week in the circuit court after a sharp legal contest. Attorneys Watson and Caldwell again representing defendant and Fairbairn and Orcutt the plaintiff.

### Musical Opportunities

Where is there a city the size of Roseburg, that can produce such talent in music as we have here. Our piano teachers cannot be excelled, likewise our band and orchestra instructors. We have an excellent instructor on the string instruments, and our vocal teachers are turning out some fine work that speaks well for them.

Then there is "Barr's Music House" that supplies instruments as cheap as they can be bought in any city, and terms to suit purchasers. If you don't care to buy now, you can rent pianos for \$2.50 per month for second hand; \$4.50 to \$5.00 for new high grade pianos. Then after six months, if you wish to buy the piano you have rented, the rent you have paid will be applied as part of purchase price. Now with these opportunities there is positively no excuse for any home to be without a piano.

Barr's music home also sells small instruments, part down and small payments each week.

Graphones 3/4 down and \$1.00 per week and have the Victor, Columbia Zonophone and Talkaphone machines to select from now. Why should any home be without music with such advantages as these.

### Steam Cleaning—Pressing Parlors.

Our new steam cleaning and repairing parlors are now in operation. A club of forty at \$1.50 per month is already secured and room for more. Single suits steamed cleaned and pressed from \$1 up to \$2.50. As steam cleaning is the reliable process there is no doubt that the people of Roseburg and vicinity will appreciate the same and patronize sufficiently to support the enterprise. Ladies' wool skirts also steam cleaned and pressed.

Next door to McDonald's Tailor Shop. L. D. HARVEY, Proprietor.
