### SENATOR FULTON A ROSEBURG VISITOR

United States Senator Chas. W. Fulton arrived in Roseburg on his Astoria home this morning to deliver the address to the High School graduating class at the graduation exercises which will be held in the Roseburg theater this evening. In a pleasant call at the Plainealer office, Senator Fulton discussed freely the Roseburg Land office appointments and expressed himself as confident that he and Secretary Hitchcock will soon reach an amicable agreement regarding the appointment of a Receiver, the Senator's appointee for Register, Hon. B. L. Eddy, of Tillamook, having already been agreed upon, and there is little doubt that the Senator's choice for Receiver will be given favorable consideration. He assured us that Lawrence Hitchcock's favorite for the place will not be appointed. Senator Fulton did not care to express himself regarding the probable successor to the late Judge Bellinger.

The Senator is looking well and is the same genial, courteous and interesting gentleman we have always found him to be.

Lulliputian Sisters, Lucy and Sarah Adams, are two modest and charming little ladies, only 46 and 49 inches in height and are endowed with a grace that is itself a sight worth the price of admission. Their home is in Boston, Mass. For 15 years they have traveled all together, 10 years of which time with Tom Thumb and other companies, but for the past 5 years have traveled alone. Their program is varied and charming. They will appear at the Opera House Monday, May 29, under the auspices of Roseburg Rebekah Lodge No. 41.

### Died

CANNON—In this city Wednesday, May 24, 1905, James Blaine Cannon, aged 21 years, 2 months and 29 days. The deceased was the son of Mrs. Sarah Cannon of this city and has suffered most all his life with paralysis, for the three days preceding his death suffering incessantly. Beside his mother he was survived by a brother, C. B. Cannon, and three sisters, Misses Alta, Mattie and Flora Cannon, all of this city.

The funeral was held from the St. George Episcopal church of Roseburg this morning at 10 o'clock. Services were conducted by Rev. C. H. Lake, and interment was made in the L. O. O. F. cemetery.

HIXSON—At Brockway, Oregon, May 22, 1905, Mrs. Mary Hixson, wife of W. V. Hixson, aged about 72 years, of heart failure.

Deceased was at the family home on the Davlin place Monday evening, talking with her husband and son of the death of Mr. Jas. Davlin, which had occurred the day before, when she suddenly threw up her hands and expired. Death evidently came from heart failure as she had apparently been in her usual health, although somewhat enfeebled from advanced age.

Deceased was an Oregon pioneer of 1852, and the family had resided in this county since 1884. She is survived by her aged husband, nine sons and two daughters. The sons are Andrew, Sherman, George, Edward, Jack, Eugene, Berry, Stephen and William. Two other sons, John and Lincoln, died some years ago. Several of the sons reside on the McKenzie river in Lane county. The daughters are Mrs. Geo. M. Kellar, of Brockway, and Mrs. L. E. Moore, of Cottonwood, Cal. The funeral was held at Brockway cemetery Wednesday.

## JOSEPHSON'S THE BIG STORE

WHERE QUALITY IS GUARANTEED

### Olalla Notes

Our country is now in its grandest and most beautiful garb.

Our people are as usual busy now at repairing fences, tending stock and hoeing gardens.

Crops, especially grain and hay, are looking the best for years. If nothing unusual prevents, we will have a large yield.

Homer J. Ireland, who had been absent for the last three years, returning at holiday time for a visit with relatives and friends, again launched out in the wide, wide world last week and has located at Gezele, Calif. We wish him success.

At last we have cattle buyers in our midst who are paying reasonably fair prices. This will help live up times here as these are the first sold to amount to anything for the last two years, and our ranges were getting overstocked, while our pockets missed the shiekles.

I. W. McFarlan & Son have the machinery now on the ground and are putting up a new saw mill. The intention is to cut out what hard wood they can get here together with pine and fir and when this timber is exhausted move to another location. A feasible plan to us.

The people of the vicinity propose to spend the day of June 1st on the Pioneer camp ground on a picnic in honor of the one-hundredth anniversary of the arrival of Lewis and Clark on the Pacific Coast. All who wish to spend the day with old friends are cordially invited. Bring your lunch baskets and let us have a good time meeting old friends and talking over old times.

The schools of our valley, that of Upper Olalla under the management of Miss Clara Leonard, and that of Main Olalla under Miss Mildred Haines, an experienced instructor, are both giving the best satisfaction. The school at Ten Mile, a larger school than either of the Olalla schools, is managed by R. A. Giles, who has been teaching the rod for several years with success and satisfaction wherever he teaches. At the end of his term the school will give a grand entertainment and as they have a number of efficient scholars success seems assured.

Our road supervisor has been doing some efficient road work, using gravel and rock wherever it can be procured. People say that the work on the Camas valley road is the best done for many years.

F. F. Patterson has commenced clearing ground for the erection of the new Hoover building. Mr. Patterson was awarded the contract for \$2400. The building will be of brick 50x100 feet, and will contain three store rooms; one will be occupied by H. O. Wilkinson as a saloon, one by A. Mahoney, soda works and bowling alley and the third will be built to accommodate a restaurant.

Douglas Rawlinson, the young fellow who stabled brakeman A. E. English two weeks ago, was married in the County Jail Monday by Judge Dunn. His bride is Miss Lettie Chapman of Los Angeles who hurried to his side when she learned of his trouble—Ashland Tidings.

### Musical Opportunities

Where is there a city the size of Roseburg, that can produce such talented instructors in all the different branches of music, as we have here. Our piano teachers cannot be excelled, likewise our band and orchestra instructors. We have an excellent instructor on the string instruments, and our vocal teachers are turning out some fine work that speaks well for them.

Then here is "Burr's Music House" that supplies instruments as cheap as they can be bought in any city, and terms to suit purchasers. If you don't care to buy now, you can rent pianos from \$2.50 per month for second hand to \$4.50 to \$5.00 for new high grade pianos. Then after six months, if you wish to buy the piano you have rented, the rent you have paid will be applied as part of purchase price. Now with these opportunities there is positively no excuse for any home to be without a piano.

Burr's Music House also sells small instruments, part down and small payments each week.

Graphones 1/4 down and \$1.00 per week and they have the Victor, Columbia Zonophone and Talkaphone machines to select from now. Why should any home be without music with such advantages as these.
