GORTELYOU SENDS REGRETS

Washington, May 24.—Postmaster-General George B. Cortelyou, more than any other member of the Cabinet, regrets his inability to be in Portland at the time of the opening of the Lewis and Clark Exposition. Mr. Cortelyou has taken a very keen interest in the enterprise of the Portland people, and had intended, up to a late day, to attend the opening exercises. But an unexpected press of public business has arisen in the Postoffice Department, especially in view of the President's return to Washington, and this, coupled with a number of long-standing engagements, will make it impossible for Mr. Cortelyou to get away at this time.

"It is a very keen disappointment to me that I cannot get to Portland to attend the opening of the Exposition," said the Postmaster-General today, "but I count upon visiting Portland later, in order that I may see the Exposition of which I have heard so much." The Postmaster-General has been strongly and persistently urged by Senator Fulton and by Chairman Frank Baker to drop everything in Washington and go to Portland, and the cordial invitation extended by these men on behalf of the people of Oregon has appealed to Mr. Cortelyou. But the Postmaster-General is a man who follows the old rule, "business before pleasure," and following this rule, he is compelled to forego what he acknowledges would be a very pleasant vacation. However, he counts upon visiting the Exposition later in the summer, and will notify Chairman Baker when he decides to make the trip.

As chairman of the Republican National Committee Mr. Cortelyou became acquainted with Mr. Baker during the late Presidential campaign, and the friendship then formed has been renewed on two occasions when Mr. Baker visited Washington during the winter.

Facts About Japan

Rice is the common food of the common people. Japan has very few millionaires and partially no multimillionaires. Japan has nearly 50,000,000 people, more than half as many as the United States. Sixteen cents a day is now good pay for unskilled labor in Japan. Ten years ago it was six cents. Japan has one of the largest steamship companies in the world, with services to the United States and to England by the way of Suez. Japanese inns furnish fresh tooth brushes every morning to every guest. The brush is of wood, shaped like a pencil, and frayed to a tuft brush of size at the end.

The Joker in God's Acire

In an old Virginia cemetery there is a weather-beaten tombstone bearing this inscription: "I WAIT MY HUSBAND May 26, 1840." When the husband died the following inscription was added: "HERE I AM, December 14, 1861."

Some joker has read the inscription and added with a pencil: "Late, as usual."

Why Suffer From Rheumatism?

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V H Leggett of Yum Yum, Tennessee, U S A writes: "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by A C Marsters & Co.

Chamberlain's Cough Remedy the Very Best

"I have been using Chamberlain's Cough Remedy and want to say it is the best good medicine I have ever taken," says Geo L Hubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by A C Marsters & Co.

Heirs of A. O. Houston Wanted

The sisters and other heirs of A. O. Houston are advised to come or send an agent to Douglas county, Oregon, and take possession of 100 acres of valuable land. The last heard from said sisters they were residing in New York City, and Eastern exchanges will please copy. Address James Inman, Looking Glass, Oregon.

A Good Suggestion

Mr C B Wainwright of Lemon City Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by A C Marsters & Co.
