MINING ACTIVITY AT MYRTLE CREEK

Myrtle Creek, May 28.—(Special)—While Oregon is having good mining strikes, Douglas county is not far behind. The South Myrtle Creek is destined to be one of the greatest gold producing districts in Oregon. There are already some of the best mining men in the coast states, interesting themselves in this district. The Continental continues to haul with five wagons some of the richest ore ever shipped from here and reports from there this week say a rich strike has been made on the way to the fourth level.

The Yellow Jewel has been building and making roads and has made 36 feet of tunnel on 5 to 6 feet of quartz this month with the result that some beautiful ore is being taken out and the price of stock will be advanced 50 percent on June 1, and work is being pushed day and night.

G W Crews is driving work on the Cross Cut mines day and night and expects soon to have that mine listed among the foremost of the district.

S. P. Shurt planned and arranged for the starting of a newspaper at Gold Beach to be called the Globe. A printing press and other necessary equipment for the printing office were ordered and sent with the gold-beach schooner Chetow, which was to have made the trip in five days. Owing to defective machinery it took the boat a month and a half before it could land its cargo. This long delay gave Mr. Shurt an opportunity to more fully consider the matter and he decided that some other place would be more favorable to him. He will go into the southern part of the state in a few days and will drop off here for a day or two on his way southward.

New Bank for Glendale.

Glendale will soon have a bank, a much needed institution for this busy place. Col. L. K. Page, president of the Salem State Bank, and A. F. Hofer, business manager of the Daily Capital Journal of Salem were in our city a couple of days of the present week to ascertain what encouragement would be given such an undertaking. They soon found that there was a general desire that a bank be established here and several of our leading men, such as R. A. Jones, E. E. Riddell, H. G. Sonnemann and W. H. Riddell will help the move financially by subscribing to some of its stock. Articles of incorporation were drawn and signed on Monday and there is little doubt but that the proposed bank will be realized in a very short time. The bank will be capitalized for \$25,000 and will be named Glendale State Bank. It is likely that a brick building will soon be erected where the banking business will be carried on. J. P. Rogers of Salem is the third party actively interested with A. F. Hofer and Col Page in the establishment of this new bank.—News.

A \$5000 Damage Suit.

Neal McBeth, through his attorneys, Cardwell & Watson, has filed a \$5000 damage suit in the circuit court against John and Charles Thom. McBeth alleges that the Thom's caused him to be imprisoned in the county jail for seven days on a charge of arson, that he was released on bail of \$1000, and that the grand jury after an examination failed to return a true bill against him. That by his arrest his character was damaged to the amount of \$5000 by articles appearing in the newspapers of the state and county.

A cordial invitation is given to all persons who served in either the First Oregon Cavalry United States Volunteers or in the First Oregon Infantry United States Volunteers and did duty in Oregon, Washington, Idaho, Utah or Nevada from 1861 to 1866 and to their parents, wives and dependents to join in the reunion and talk over incidents of long ago.

Baseball at Dixonville.

May 21, 1905, will be remembered by the citizens of Glide as the day on which Glide, by genuine, straight forward baseball ability, defeated South Deer Creek at baseball. Although Deer Creek played nobly, she was defeated, the score being 17 to 12 in Glide's favor.

We are inclined to believe that the Honorable Jesse Atterbury, of the Glide team, will figure quite prominently in the baseball world for the next few days, owing to the fact that he was among the injured that left the field at Dixonville. However, we are expecting daily to hear of a proclamation, issued by President Roosevelt, proclaiming the 21st of May a legal holiday.

The Deer Creek team expects to meet that of Glide at the latter place for a game, May 28th. Freely invited to attend and see the fray. M. D. L.

Oregon Roses

The roses are in bloom, Here in the month of May, They are the sweetest posies As any one will say. They are the queen of flowers, As gracefully they hang From bushes heavily loaded, Of them the poet sang. To see their saintly beauty, Wet with the pearly tear, The dew drop in the morning But makes them still more dear. They're painted with such colors The artist must despair, To catch the tints unfolded Within the roses fair. Some are the deepest scarlet, And some are snowy white With cream and pink and salmon, While some change with the light. And now and then a rosebud, Of some light creamy hue, Has streaks of pink or crimson Across its petals dew. To see them in the stages, From bud to blossom grow The many colors and foldings, We would but like to know. That if the great creator, Has some one stationed there To paint and unfold roses, And tint them with such care, The time when they are blooming, Is the finest of the year. With country green and smiling And berries then are here. We've heard of choicest roses, And seen their pictures fair, But what we have in Oregon Beats those seen anywhere. —E. J. B.

Herbina

Will overcome indigestion and dyspepsia; regulate the bowels and cure liver and kidney complaints. It is the best blood purifier and invigorator in the world. It is purely vegetable, perfectly harmless and should you be a sufferer from disease, you will use it if you are wise. R. N. Andrews, Editor and Mr. Cocco and Rockledge News, Cocoa, Fla. writes: I have used your Herbina in my family, and find it a most excellent medicine. Its effects upon myself have been a marked benefit. Sold by A. C. Marsters & Co.

A Positive Necessity

Having to lay upon my bed for 14 days from a severely bruised leg, I only found relief when I used a bottle of Ballard's Snow Liniment. I can cheerfully recommend it as the best medicine for bruises ever sent to the afflicted. It has now become a positive necessity upon myself. D. R. Byrnes, Merchant, Doverville, Texas. 25c, 50c and \$1.00. Sold by A. C. Marsters & Co.

Musical Opportunities

Where is there a city the size of Roseburg, that can produce such talent d instructors in all the different branches of music, as we have here. Our piano teachers cannot be excelled, likewise our band and orchestra instructors. We have an excellent instructor on the string instruments, and our vocal teachers are turning out some fine work that speaks well for them.

Then there is "Burr's Music House" that supplies instruments as cheap as they can be bought in any city, and terms to suit purchasers. If you don't care to buy now, you can rent pianos from \$2.50 per month for second hand to \$4.50 to \$5.00 for new high grade pianos. Then after six months, if you wish to buy the piano you have rented, the rent you have paid will be applied as part of purchase price. Now with these opportunities there is positively no excuse for any home to be without a piano.

Burr's Music House also sells small instruments, part down and small payments each week. Graphophones \$4 down and \$1.00 per week and they have the Victor, Columbia Zonophone and Talkaphone machines to select from now. Why should any home be without music with such advantages as these.
