## Chamberlain's Cough Remedy the Very Best

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Hubble, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by A. C. Marsters & Co.

## Fine Farm For Sale.

517 acres; farm situated 10 miles from Roseburg. Good dwelling house, 2 barns and plenty of out buildings; all fenced. 110 acres rich river bottom land, balance good timber and pasture. 20 acres in alfalfa, 30 acres in wheat. Price reasonable. Call on or address R. W. MARSERS, Roseburg, Ore.

## Why Suffer From Rheumatism?

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V. H. Leggett of Yum Yum, Tennessee, U. S. A. writes: "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by A. C. Marsters & Co.

## A Good Suggestion

Mr. C. B. Wainwright of Lemon City Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pain in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly!" he says. For sale by A. C. Marsters & Co.

## MESS ROOM STORIES

ON Aug. 5, 1864, when Farragut steamed into Mobile bay, taking the lead of the line of monitors and gunboats with his flagship Hartford, Captain Craven of the Tennessee asked for the post of honor in attacking the Confederate ram Tennessee, whose destruction was the object of the raid. The bay was planted with torpedoes, and the line marking them was buoyed out, yet when the gallant captain saw a chance to close with the Tennessee he drove the Tennessee hastily across the line. She had gone but a few yards when one or more torpedoes exploded under her. She went down bows first, her screw plainly visible for a moment to all on the Tennessee, which was awaiting the onset not 200 yards distant. Craven was in the pilot house when the ship was struck. Both he and the pilot turned to the turret ladder, seeking escape. The pilot gave way to his commander, but Craven stepped back. "After you, pilot," he said, with grace comparable to that of the dying Sydney on the field of Zulu. "There was no after," said the pilot in relating the incident. Craven and 120 men were drowned.

**A Modest Admiral.**  
Illustrative of Admiral Farragut's simplicity of character was an incident of the annual race of the New York Yacht club in 1866. In the course of that day a number of ladies insisted upon his telling the story of his being lashed to the rigging of the Hartford in the battle of Mobile Bay. "Oh," answered Farragut, "some fellow was made about that, but it was not as people told it. I had gone up aloft to get above the smoke of the ship's guns. It sometimes happens that a man faints when wounded, and to insure me against a fall in such a case an officer took a small piece of rope and tied me fast—that's all."

**How Semmes Quelled a Mutiny.**  
"The first and only mutiny on the Alabama," wrote Captain Raphael Semmes in his memoirs, "occurred when the vessel was lying at St. Pierre, Martinique. A crowd of sulky and surly sailors gathered about the foremast, using mutinous language and defying the authorities of the ship. I ordered the first lieutenant to 'beat to quarters.' Such was the effect of previous discipline that the moment they heard the well known signals the crew fell in mechanically at their guns. Wherever I observed a drunken man I ordered his comrades to arrest him. Some showed fight, but they were soon overpowered and put in irons. Calling Water for washers. Two or three of the quartermasters, I ordered them to dash buckets of water over the mutineers in quick succession. I ordered under repeated donches, silence and silence and silence to supplication. Did the captain want to drown them? If I would only let them go I would never have occasion to complain of them again. It became a saying afterward among the sailors that 'Old Beowulf' was hauled on water by a fellow's grog."

**Capture of Mason and Sidel.**  
The real hero of the capture of the Confederate envoys Mason and Sidel from the British steamer Trent, according to a sailor who was present, was Lieutenant D. M. Fairfax, commander of the boarding party. "Fairfax's task was an unpleasant one," he says. "He was a Virginian by birth and was on terms of intimacy with the Mason and Sidel families. The two men reproached him bitterly and called him a traitor to the south and to his state. It was said that he was engaged to Miss Sidel, one of the most beautiful girls I ever saw, and when I saw her pleading with him

**HERBINE**

**The Popular Liver Medicine**  
Will Keep You Well

A GUARANTEED CURE for all diseases produced by TORPID LIVER and IMPURE BLOOD. Do not fill your system with Arsenic, Calomel and Quinine. They act as rank poisons which vitiate the blood, debilitate the system, and have a trail of bad symptoms which require years to obliterate. **HERBINE** is a purely vegetable and contains no mineral or narcotic poisons. It is absolutely harmless and is the simple remedy of nature. It carries off all poisons in the system and leaves no injurious effects.

**CURED BY HERBINE AFTER OTHER REMEDIES FAILED**  
Mr. L. A. Hicks, Tredell, Texas, says: "I was sick in bed for eight months with liver trouble, the doctor seemed to do me no good. I was told to try Herbine, and it cured me in a short time. I cannot recommend this wonderful medicine too highly."
