Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mr. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by A. C. Marsters & Co.

### FEW WENT ON EXCURSION

Scarcely 50 people boarded the train Sunday morning for Portland on the S. P. Excursion train to be present at the Lewis and Clark exposition on Roseburg and Douglas county day. (today) June 12th. General Ticket Agent J. P. Jones in person, accompanied the excursion and made no bones of the fact that he was disgusted with the turn out. He stated that the railroad company did not care whether the people took advantage of the low rate or not but that the excursion was run for their benefit and they were the losers if they did not take advantage of it.

We claim that this is poor policy for the railroad company. People know that the exhibits are scarcely in place and the fair not yet in working order. Are we compelled to bow to the railroad company and visit the fair when they dictate? No. Douglas county people will come to the front and see the fair later. Let the railroad people show that they are willing to help by granting several excursions at reasonable rates later. Don't try to force us to attend the fair when it is scarcely started. We never have seen a fair before and want to see this one in full running order.
