LAW GOVERNING USE OF MOTOR VEHICLES

Since automobiles and motor cycles are coming into general use in and about Roseburg, and there appears to be few, if any, who are aware of the provisions of the law governing the same, we publish in full the act regulating the use of such vehicles passed at the last session of the legislature:

Section 1. No automobile, motor vehicle or motorcycle shall be used or operated on any public road, highway, park or parkway, street or avenue within this state until the owner shall have complied with sections 2, 4 and 5 of this act.

Section 2. The owner of every automobile, motor vehicle or motorcycle shall file in the office of the Secretary of State a statement of his name and address, together with a brief description of every such vehicle owned by him, and shall obtain from said Secretary of State a numbered certificate for each of said vehicles, which certificate shall state the name of the owner of such vehicle and that he has registered in accordance with the provisions of this act. These certificates shall be numbered consecutively, beginning with 1.

Section 3. The Secretary of State shall keep a record of all such statements and of all certificates issued by him with their numbers.

Section 4. The fee for issuing such certificates shall be \$3.00.

Section 5. The number of each certificate, preceded by the letters "ORE," shall be displayed upon the back of such automobile, motor vehicle or motorcycle in light-colored Arabic numerals, at least three inches high, on a dark background.

Section 6. The provisions of the preceding sections shall not apply to automobiles, motor vehicles or motorcycles owned or operated by non-residents of this State, provided the owners thereof have complied with any law requiring the registration of automobiles, motor vehicles or motor cycles in force in the state, territory, or federal district of their residence, and the registration number showing the initial of such state, territory, or federal district shall be displayed on such vehicle substantially as provided by section 5 of this act.

Section 7. Every automobile, motor vehicle, or motorcycle, when driven on any public road, highway, park or parkway, street or avenue within this State, shall during the hours of darkness, have fixed up on some conspicuous part thereof at least one lighted lamp, showing white to the front and red to the rear, and shall have the license or certificate number of said vehicle painted in dark Arabic numerals across the white glass of said lamp.

Section 8. Every automobile, motor vehicle, or motorcycle using gasoline as motive power shall use the "muffler," so called, and the same shall not be cut out or disconnected within the limits of any city or village within this State. Every automobile, motor vehicle or motorcycle shall be provided with good and efficient brakes. The driver or operator of every automobile, motor vehicle, or motorcycle shall be governed by the usual law of the road by turning to the right in meeting vehicles, teams and persons moving or headed in an opposite direction, and by turning to the left in passing vehicles, teams, and persons moving or headed in the same direction.

Section 9. Every person having control or charge of any automobile, motor vehicle, or motorcycle, whenever upon any public street or way, and approaching any vehicle drawn by a horse or horses or any horse upon which any person is riding shall operate and manage and control such automobile, motor vehicle, or motorcycle in such manner as to exercise every reasonable precaution to prevent the frightening of any such horse or horses, and to insure the safety and protection of any person or persons riding or driving the same. And if such horse or horses appear frightened the person in control of such motor vehicle shall reduce its speed, and if requested by signal or otherwise by the driver of such horse or horses, shall not proceed further toward such animal unless such movement be necessary to avoid accident or injury, or until such animal appears to be under the control of its rider or driver.

Section 10. No person, driver, or operator in charge of any automobile, motor vehicle, or motorcycle on any public road, highway, park or parkway, street, or avenue within this State, shall drive, operate or move, or permit the same to be driven, operated, or moved at a rate of speed faster than eight miles an hour within the thickly settled or business portion of any village or city within this State, nor faster than eight miles an hour in the country when within one

hundred yards of any vehicle drawn by horse or horses, nor outside of such thickly settled or business portion of any city or village on any public road, highway, park or parkway, street, or avenue at a rate of speed faster than (1) one mile in (2 1/2) two and one-half minutes, nor over any crossing or crosswalk within the limits of any city or village at a rate faster than one mile in (15) fifteen minutes when any person is upon the same.

Section 11. No person driving or in charge of any automobile, motor vehicle or motorcycle on any highway, town-way, public street, avenue, driveway, park or parkway shall drive the same at any speed greater than is reasonable and proper, having regard for the traffic and use of the way by others, so as to endanger the life or limb of any person; and racing any such vehicle on any such ways or parks as is hereby forbidden.

Section 12. Any proper officer who shall arrest the owner or driver of an automobile, motor vehicle, or motorcycle for an infraction of any part of this act shall take said person immediately before a magistrate and said magistrate shall hear said case at once, or, upon request of defendant and depositing \$50 as bail, he shall adjourn said hearing for a time not less than twenty-four hours nor more than five days. If it be impossible to find a magistrate within a reasonable time from said arrest, then the arresting officer shall accept bail in the sum of \$50 for the appearance of the defendant at the proper time.

Section 13. The violation of any of the provisions of this act shall be deemed a misdemeanor, punishable by a fine not exceeding \$25 for the first offense, nor exceeding \$50 for the second offense, nor exceeding \$100 for any succeeding offense.

Section 14. All acts and parts of acts inconsistent herewith or contrary hereto are, so far as they are inconsistent or contrary, hereby repealed.

Stomach Trouble and Constipation

"Chamberlain's Stomach and Liver Tablets have done me a great deal of good," says C. Towns, of Rat Portage, Ontario, Canada. "Being a mild physician the after effects are not unpleasant, and I can recommend them to all who suffer from stomach disorder. For sale by A. C. Marsters & Co."

Thought He Stopped the Paper

An acquaintance met Horace Greeley one day, and said: "Mr. Greeley, I've stopped your paper." "Have you?" said the editor; "well that's too bad," and he went his way.

The next morning Mr. Greeley met his subscriber again, and said: "I thought you had stopped the Tribune." "So I did."

"Then there must be some mistake," said Mr. Greeley, "for I just came from the office and the presses were running, the clerks were as busy as ever, the compositors were hard at work, and the business was going on the same as yesterday and the day before."

"Oh!" ejaculated the subscriber, "I didn't mean that I had stopped the paper; I have stopped only my copy of it, because I didn't like your editorials."

"Pshaw!" retorted Mr. Greeley, "it wasn't worth taking up my time to tell me such a trifle as that. My dear sir, if you expect to control the utterance of the Tribune by the purchase of one copy a day, or if you think to find any newspaper or magazine worth reading that will never express convictions at right angles with your own, you are doomed to disappointment."

Indigestion

With its companions, heart burn, flatulence, torpidity of the liver, constipation, palpitation of the heart, poor blood, headache and other nervous symptoms, shallow skin, foul tongue, offensive breath and a legion of other ailments, is at once the most widespread and destructive malady among the American people. The Herbine treatment will cure all these troubles. 50c per bottle. For sale by A. C. Marsters & Co.

May Name Hegardt

If Secretary Hitchcock finds upon investigation that J. B. Hegardt is a fit and proper person to be receiver of the Roseburg Land Office, he will recommend him and the deedlock between Senator Fulton and the Secretary of the Interior will be broken. For a long time no appointment was made because Secretary Hitchcock would not concur in the appointment of T. M. Dimmick, of Coos county, Fulton's man, while the Senator would not agree to J. M. Lawrence, of Bond, whom the Secretary wanted.

ANY FOOL

Knows enough to carry an umbrella when it rains, but the wise one is he who carries one when it is only cloudy.

Any man will send for a doctor when he gets a proper precautionary, preventive and curative measures when first appear the ills which, if unchecked and unremedied, grow into serious illness.

Impaired digestion and nutrition are generally the forerunners of a nervous or functional disorder. Nature has provided remedies most abundantly for all such conditions in our native medicinal plants. With the use of chemical and synthetic drugs, proper strength and a proper sustained temperature, Dr. Pierce's extracts from Golden Seal root, Queen's root, Stone root, Black Cherry Bark, Bloodroot and Mandrake root, medicinal principles which, when combined in just the right proportions, constitute his widely famed "Golden Medical Discovery." It restores the tone of the stomach, the activity of the liver, and the steadiness of the nerves, pouring vitality into the blood till the once sick and debilitated one, once more, regains health, strength and power that he can resume his work, whatever it is, with vigor and elasticity.

All medical authorities, of whatever school, agree that Hydrastis, or Golden Seal—one of the essential roots in the make-up of Dr. Pierce's Golden Medical Discovery—is of very great value as a purgative and as an alternative—valuable in chronic affections of the stomach, intestines and bladder.

Not only the Original but the best Little Liver Pills, first put up over 40 years ago, by old Dr. J. C. Ayer, Lowell, Mass., have been made up of concentrated and refined pure vegetable matter, drawn from the roots of American plants. Do not give time or two for stomach corrective, three or four for cathartic.

To Hunters

August 15th the open season for the killing of buck deer commences, and closes with Oct. 31st.

Sept. let the open season for killing of does open, and closes with Oct. 31st.

Both must be killed between half hour before sunrise and one hour after sunset.

Each hunter must secure a license from the county clerk of the county.

Dollar Saved Represents Ten Earned.

The average man does not save to exceed ten percent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by A. C. Marsters & Co.

HERBINE

The Popular Liver Medicine Will Keep You Well

A GUARANTEED CURE for all diseases produced by TORPID LIVER and IMPURE BLOOD. Do not fill your system with Arsenic, Calomel and Quinine. They act as rank poisons which vitiate the blood, debilitate the system, and leave a trail of bad symptoms which require years to obliterate. HERBINE is purely vegetable and contains no mineral or narcotic poisons, is absolutely harmless and is the simple remedy of nature. It carries off all poison in the system and leaves no injurious effects.

CURED BY HERBINE AFTER OTHER REMEDIES FAILED

Mr. L. A. Hicks, Iredell, Texas, says: "I was sick in bed over eight months with liver trouble, the doctor seemed to do me no good. I was told to try Herbine, and it cured me in a short time. I cannot recommend this wonderful medicine too highly."
