BRAKEMAN SMITH FATALLY INJURED

His Leg Was Crushed at the Woodville Siding This Morning. Died in Roseburg This Afternoon.

C. D. Smith, a young brakeman well known in this city, received injuries by falling from a freight car while switching in the Woodville yards at four o'clock this morning, which caused his death in this city at 2 o'clock today.

Very little is known at present of just how the accident occurred. Train 226, upon which Smith was working, was switching in the Woodville yards and in some way Smith fell and it is supposed that the wheels of one car passed along the outside of his right leg, fearfully mangle and tearing it and causing a fracture of the leg below the knee. It is believed that his clothing caught and he was dragged a considerable distance receiving internal injuries which caused his death.

Immediately after the accident was discovered Smith was taken to Grants Pass where he was attended by Dr. M. C. Finley, the Company physician at that place, and upon the arrival of the northbound local he was placed aboard to be taken to the Portland hospital but became so weak during the trip that Dr. Finley decided to have him removed from the train at this station. The train arrived here at 12:15 p. m. and Mr. Smith was immediately taken to the Oregon rooming house where Dr. Finley and Dr. Shearer, of this city, worked with him until his death.

The deceased was about 22 years old and a resident of Ashland where his parents reside. He has been in the employ of the company for the past four years acting as call boy for two years and as a brakeman for the last two years.

He was a member of Umpqua Lodge No. 314, Brotherhood of Railway Trainmen of this city in which he carried \$2500 insurance.

Arrangements for the funeral have not yet been made.

It Is Capt. Chas. Stratford Now

A late copy of the El Dorado, Kansas, Times has this about a former well known Roseburg boy. "Company K Kansas National Guard Saturday evening unanimously elected Charles W. Stratford as Captain, vice Wm. McDaniel, resigned. This is a promotion from First Sergeant and an honor worthily bestowed. Stratford is a bright level headed young man. He will give every one a square deal. He has the regard and good will of the personnel of Company K and it will not only maintain but increase its quality and efficiency. It is well up to the top in its standing which is an average of 12 companies comprising the Second Regiment. In efficiency of the officers of Company K Captain Stratford was high man according to the official report of the regiment for 1905. Col P. M. Hoisington speaks in cordial praise of Stratford. We shall look for only good reports from Company K of which El Dorado is duly proud."

GOOD for OLD and YOUNG

August Flower keeps the children healthy and strong. Full of vigor and frolic the whole day long. So when Mamma needs more they rush off in high glee. And about to the druggist: "Please give it to me!"

Ability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.

"It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind." Two sizes, 25c and 75c. A. C. MARSTERS DRUG CO.
