I took twelve bottles in all, and, each week, knew that I was getting better and stronger, until finally I was as well and strong as I had ever been. THE STATE SHOOT MAY COME HERE

Roseburg Has the Best Range and May Capture the Important Gathering

It is understood that Adjutant General Finzer is undecided upon this question, but that he is rather in favor of holding the shoot next year, cutting out this years shoot altogether. If this ic done it will cause considerable dissatisfaction among the guardsmen as it will unjustly prolong the contest for the various medals and cups, allowing those who have won them to hold them two years 2nd. and in all probabilities cause a controversy as to the ownership of them.

Again it is hardly fair to allow only a few men to enter competition as has been done in the sending of a team east. Why not allow our teams to shoot for state team and individual championship, thus allowing those who were not fortunate in winning last year or making the national team, a chance to do something now.
