THE LIGHT OF OTHER DAYS.

Not very many years ago alcohol was used for lighting. It was a combination of other fluids under the name of "Camden Light," but it suffered from the same danger as alcohol, and was too dangerous.

Dr. Pierce's tissue-strengthening plan of treatment is following after Nature's plan. He uses natural remedies, and his medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in the most exact proportions.

Used as one of the active ingredients of Dr. Pierce's Golden Medical Discovery, BLACK CHERRYBARK specially exerts its influence in cases of lung and bronchial troubles, and this "discovery" is, therefore, a sovereign remedy for bronchitis, chronic cough, catarrh and kindred ailments.

The names of the medicinal ingredients of this world-famous remedy are: Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot and Mandrake root.

"I have had such a wonderful experience with Dr. Pierce's Golden Medical Discovery that I do not hesitate to recommend it, believing it to be a wonderful medicine to build up the system," writes Miss Beale Brown, Secretary Emerson Literary Association, 424 Broadway, New York, N. Y. "Worry and nervous troubles had completely run-down my body, and was in a state of nervous collapse. I took twenty bottles in all, and each week knew that I was getting better and stronger, until finally I was as well and strong as I had ever been. I have the utmost faith and confidence in your medicinal and I thank you for my good health, which is a blessing to anyone."

For 21 one-cent stamps to cover cost of mailing, you can get a sponser's opinion, Common Sense Medical Adviser, paper covers, or cloth-bound for 21 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Pleasant Pellets should be used with "Golden Medical Discovery" whenever a laxative is required.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation" For sale by A. C. Marsters & Co.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler, of Hightower, Ala. relates an experience he had while serving on a petit jury on a murder case at Edwardsville, county seat of Clayborne county, Alabama. He says: "While there I ate some fresh meat and some other meat and it gave me cholera morbus in a very severe form. I never was more sick in my life and sent to the druggist for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured three of us." For sale by A. C. Marsters & Co.

Summons

In the Circuit Court of the State of Oregon, for Douglas county, Kathryn M. Booth, Plaintiff, vs. William J. Booth, Defendant.

To William J. Booth, the above named defendant. In the name of the State of Oregon, you are hereby required to appear and answer the complaint of the plaintiff filed against you in the said court and cause on or before the 10th day of October 1905, being the date prescribed by the court in the order of publication of summons for you to appear and answer said complaint, and if you fail to appear and answer said complaint on or before said date plaintiff will apply to the court for the relief demanded in her complaint to-wit:

For a decree dissolving the marriage contract, now and heretofore existing between the plaintiff and defendant and her costs and disbursements herein incurred.

This summons is published in the Roseburg Plaindealer by an order of Hon. M. D. Thompson, County Judge of Douglas county, Oregon, by an order made on the 15th day of August, 1905. The first publication of this summons is of the date of 17th of August 1905 and the last publication thereof will be the 28th of Sept. 1905 making the full period of six weeks.

C. L. LEAVESGOOD, Attorney for plaintiff.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the trouble give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by A. C. Marsters & Co.

PERT PARAGRAPHS.

Woman does not have to know much to know more than some men give her credit for knowing.

For the first week that a man is engaged, no matter what comes, he has to kick on the weather.

The way to do a thing is to do it, if you don't happen to have a hired man.

To make life more tolerable the inventors should get to work and see if they can't produce for us a voiceless cat.

A gossip thinks that good things happen for the purpose of being passed along.

A drum is not a wind instrument, but a drummer may be.

Some lines of talk may be cheap, but not the kind that is sent over a long distance telephone.

Only an unsophisticated man would think of hiring a Digger Indian to work in his garden.

No one knows just what electricity is, and the wise man will not take hold of a live wire to find out.

It is said to be impossible to overload it in flattery a woman, in which respect she does not differ greatly from a man.

Her Capacity. The dainty dame was a dream. She smiled and flirted and cooed. But, oh, how she could store ice cream. And chicken, fried or broiled. And deviled lobsters by the peck. And oysters in their season. Until the man who paid the check would almost lose his reason.

She hardly seemed a thing of earth. This creature lithe and slender. But, oh, she got her money's worth. And liked to get a spender. And when a man like that she found. She always could be trusted. To see that such a one had round. And spent till he was busted.

The thing that puzzles simple man is how a lady thinner Than gauze or tissue paper can get along with such a dinner. It isn't that she minds the price Or pauses to deplore it. But much she wonders where a nice Fraill gets like that can store it.

Finally one night about five weeks after her mother's death Miss Dresser awoke with a shriek and sat up in bed wringing her hands. The nurse hurried to her.

"Turn on all the lights," said Miss Dresser quite calmly, "and then come here and look me in the face. I want to ask you something."

The nurse, surprised and apprehensive, obeyed. Miss Dresser looked at her in the eye and said: "There's no use your trying to lie. I know what has happened. Mother is dead."

"How did you guess, Miss Dresser?" cried the nurse. "I don't guess; I dreamed it just now. I went down to the house. It was all boarded up and deserted. I

Something You Should Know. If it is a Chickering there is no better. If it is a Kimball there is no sure to please. If it is a Hobart M. Cable, it is the best piano for the money. If it is a Jacob Doll it is perfect in tone and action. If it is a beautiful Bailey it is the greatest medium priced piano on earth. If it is a Wessing piano it is not only perfect in tone, action and case, but you can imitate beautifully the mandolin, guitar and banjo. Why do without a piano when you can buy one during this dull season, from \$100 up and on easy terms. Some are slightly used and some are second hand, but we are sure to please you with a piano as well as price.

We also have several second hand organs ranging from \$20. up. Our stock of graphophones and small instruments were never more complete. It is no trouble to show goods, so call at once as a happy surprise awaits you.

BURRS MUSIC HOUSE. Ab cesu. Abscesses, with few exceptions, are indicative of constipation or debility.

W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1902: I want to say a word of praise for Ballard's Snow Liniment. I stepped on a nail, which caused the cords in my leg to contract and an abscess to rise in my knee, and the doctor told me that I would have a stiff leg, so one day I went to J. F. Lord's drug store (who is now in Denver, Colo.) He recommended a bottle of Snow Liniment; I got a 50c size, and it cured my leg. It is the best liniment in the world.

DO NOT DELAY

Until the drain on your system produces permanent disability. The human breathing machinery is a wonderful system of tubes and cells. To have good health it must be kept in good order.
