Do you know that there are 125,000 Angora Goats and 4,000,000 sheep, besides many thousand dollars worth of Poultry, Hogs etc., in Oregon and there are about five per cent loss annually by the depredations of varmints, which represents the enormous sum approximately of \$750,000.00. How much of this enormous sum do you loose? You probably do not know, but you would know that you would not lose any if you would use Marsters Coy te Exterminator. It is sure death to all kinds of varmints. Ask your dealer for it.
