RED LETTER YEAR FOR THE W. C. T. U.

Mrs. A. C. Marsters, who is president of the Douglas county W. C. T. U., and who is now in attendance upon the state convention of that great organization at The Dalles, sent the Plaindealer an interesting account of the big gathering. The reports showed that it had been a red letter year for the state organization. The Dalles Chronicle devoted much space to reporting the meeting, and among other things said:
"A fine looking body of women, whose purity of life and noble purpose shown forth in their very countenances, and emphasized the import of the white ribbon of the opposite sex, together with sympathizers in their work, filled the auditorium of the Methodist church last night at the opening of the W. C. T. U. convention. Considering the inclement weather the attendance was especially good."
"In the absence of Mayor Kelly, who was attending the council meeting, Rev. Walton Skipworth made the welcoming address in his stead. As a preface Mr. Skipworth paid a deserved compliment to our Mayor, whom he said he was proud of because he believed him to be a man of sturdy character and heartily in sympathy with the best interests of the city. When the speaker referred to his having cast his vote for closing the saloons on Sunday, the assertion was met with a round of applause. Mr. Skipworth then read the welcome of the Mayor, who wished them a successful meeting, with the hope that conditions would be benefited by their visit, also assuring them that whatever was done for the uplifting of the city would meet his approval and have his support. "That has the right ring" said the president when Mr. Skipworth closed."
