The Closing Day-The Crowd Still Lingers-Clear-up After the Week's Work-The Baces, Etc.

Yesterday was a day of excitement at the Fair Grounds, but of a different nature from that of previous occasions. Everybody was striking tents and fleeing to their various homes. The road was, as usual, lined with conveyances of every style, but those re-turning toward town wore, as a general turning toward town wore, as a general thing, the heaviest laden. Wagons containing the entire family, bag and bagpage, were often met with. The farmers' wdgons were full and running over with portable truck of all descriptions, from wife and ba-

A RELATSE.—Our readers will remember that is to the minutest details of camp equip-age, Temporary shantness were being torn down, provisions packed up. Men ranning hither and yon in search of missing articles, the housewife superintending the disposal of household articles, the boys and girls trotting around in search of missing blbies, dogs howling, horses neighing, sheep bleat-ing, cattle lowing, hons cackling, pigs squealing, and the restored infants yelling at the tops of their voices, made the closing at the tops of their voices, made the closing day of the Fair a regular Pandemonium. It was an amusing sight to witness the exing affinits. We yesteriday heard of still an-other. Mr. John Savage, reskiling a few miles below town, on returning home Sat-urday evening, format that during the ab-senter of himself and family some one had broken down an outside doer and - tred broken open and the contents reason the beds were emptied of their con-tents in search of booty. A couple of lock-eta and some small articles of previty, to-gether with a small sum of money, were arried of, and a couple block and the stard were numerous and bearlity enjoyed by the spectators. Inside the grounds stalls were of mailed but happy. Seenes of this kund were numerous and bearlity enjoyed by the spectators. Inside the grounds stalls were of poulity mixed and site were hered if with them. We noticedone odd farmer with treat shelf very familiar before mooning. Major D, hang his vest, containing a spleadid watch and chain, and walced down start. When preparing to start for home and caring for their extra stock. Side-shows w ing extra attractions to induce definitient attendants to walk in and see the living en-tostics, etc. Candy vendors were selling prize packages at reduced rates, and the cigar boys were selling six Havana (?) cigars for two hits. Everything was going dirt cheap, as money was no object. The auctioneers had their hands full to dispose of horses and watches belonging to those who, at the close of the week, found them-selves dead broke, many miles from home, and compelled to take this means of "visit-ing their uncle." The women folks, above all, looked tired and cross. One lady in the pavilion relieved herself by giving her in-fantile checub a rousing old spanking be-fore the assembled hundreds, and finished up by saying: "Thar, now, take that and
