May 27:dawt IDAHO SALOON. W. C. PETTKJOHN, Proprietor.

The matter of high freights has been and is very torcibly pressed upon the

HIGH AND LOW PREIGHTS. attention of the producing classes of the Pacific coast. The whole question of freights has two sides to itboth of them disastrous to the material interests of our whole country. In the first place there was a scarcity of and the celebration of our revolution- thize with Mart. Brown, of the Demo tomage for moving the grain surplus | ary wars with the mother country, the | crat, on having his bright anticipations of the coast. This induced competition in bids for charters till the price | during the rebellion, and the mixture was run up to \$5 per ton for freight to of the Irish with our Anglo-Saxon any port of the United Kingdom. Such | population, so that there is at times a | OFFICE CHAIRMAN REPUBLICAN an unusual and extravagant figure, of course, attracted the attention of ship country against, while the English owners everwhere. The price was almost equal to the old freight rates | America. Their instincts of relationfor a round trip from England to the Pacific coast and back. Then began other evening by the great English ties, with the vote of each precinct in a general scramble among ship masters for freights out. Considering the tempting offers made here for grain charters, vessels could afford to load out here at much less than the usual rates. Masters began to bid down, just as grain shippers on this coast the language of the millions in Great the wheat of Oregon for export this were blidding up. Importers saw Britain, and not merely of the com- year at 27,500 tons in excess of last their opportunity and commenced at once a speculation in freights, the parallel of which has not been seen
