TO THE UNFORTUNATE.

NEW REMEDIES! NEW REMEDIES! DR. GIBBON'S DISPENSARY, 623 Kearny Street, Corner Commercial St. SAN FRANCISCO.

Established in 1854, for the treatment of Sexual and Seminal Diseases, such as Gonorrhoea, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc. Sufferers in every case of years' standing and Ulcerated Legs successfully treated.

Seminal Weakness.

Seminal emission the consequence of self-abuse. This habit, if not stopped, leads to indigestion, loss of vitality, and in the youth of both sexes to an incurable extent, producing with increasing rapidity the following train of morbid symptoms, unless combated by scientific medical measures, viz: Salivary discharges, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots unaccountable about the loins, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, dislike to form new acquaintances, a disposition to shun society, loss of memory, hectic flushes and various eruptions about the face, bitter tongue, faint heartiness, or depression, night sweats, monomania and frequent insanity. If relief be not obtained, the sufferer should apply immediately, in person or by letters, and have a cure effected by the most scientific mode of treating this disease, which never fails of effecting a quick and radical cure. It will give one hundred dollars to any person who will prove satisfactorily to him that he was cured of this complaint by either of the San Francisco Dispensary.

Cured at Home.

Persons at a distance may be CURED AT HOME, by addressing a letter to Dr. Gibbon stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded from France, and carried by the next part of the country, with full and plain directions for use.

Persons writing to the Doctor will please state the name of the paper they saw this advertisement in.

By enclosing \$10 coin, in a registered letter through the Post Office, or through Wells, Fargo & Co., a package of medicine will be forwarded to any part of the Union.

All correspondence strictly confidential.

Address DR. J. F. GIBBON, 623 Kearny Street, San Francisco, Postoffice Box 1,057. Feb 10, 1875

YOUNG MEN

Who may be suffering from the effect of youthful follies or indiscretions, will do well to avail themselves of this, the greatest boon ever laid at the disposal of suffering humanity. DR. SPINNEY will guarantee to forfeit \$500 for morbid case of seminal weakness, or private disease of any kind or character which he undertakes and fails to cure. He would therefore say to the unfortunate sufferer who may read this notice, that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint. Let me be in the first stage; remember you are approaching the last. If you are bordering upon the last, and are suffering some or all of the ill effects, remember that if you persist in procrastination, the time must come when the most skillful physician can render you no assistance, when the doctor of hope will be closed against you; when an angel of mercy can bring you relief. In no case has the doctor failed of success. Then let not despair work upon your imagination, but avail yourself of the beneficial results of his treatment: before your case is beyond the reach of medical skill, or before getting death hurried upon you, a premature grave. Full course of treatment \$25 00, paid in advance by Postoffice order or Express with full description of case. Call, or address DR. A. B. SPINNEY, No. 11 Kearny street, San Francisco. sep 10/71

ROCK SOAP!

ROCK SOAP is a natural product, possessing most marvellous clearing and germicidal properties. Besides other valuable qualities it contains Alkali, which is more powerfully detergent than most Alkaline Soaps. Rock Soap is especially adapted for use in large hotels, restaurants, and for such use. After using it none will be without it. It is perfectly marvelous in its operations.

FOR HOUSEHOLD PURPOSES.

It cleans, whitens, brightens, and gives a softness to the skin, and makes washing less laborious, and leaves the clothes much whiter, without any of the injurious effects attending the use of soda or washing powder, which contain more or less caustic properties. It is GUARANTEED not to injure in the least degree the finest fabrics, and will save half the quantity of soap usually used. It saves an enormous waste in soap and wear and tear of clothes.

FOR TOILET AND BATH.
