Assignee's Sale. The stock of goods formerly owned by Joseph Holmes, was sold yesterday by the assignee to S. Friedman.

Messrs. Haskins & Epier have established themselves in this city in the business of manufacturing bottled soda, champagne, cider, etc. It is a cooling beverage in hot weather and will be extensively used. We return thanks for a box, brought in yesterday.

From the Shoulder. We publish a communication to-day from J. M. Johns, in which he discusses the relative merits of some of Oregon's public men in rather strong terms. If he makes any mistakes we would like to see them corrected, and will furnish space in the columns of the STATESMAN for the purpose.

B. F. Finn Esq., residing about 80 miles east of Eugene, on the McKenzie, is in the city. He has spent several years hunting and exploring the Cascade mountains and brings on this trip to Salem about one hundred deer skins taken from game which he killed during the past winter. Mr. F. remains in Salem only a few days.

Going East. A. M. Smith Esq., of Bona Vista, is to leave this city this morning for Portland where he will take the next steamer for San Francisco, from whence he will go by rail to the eastern States. His family accompanies him and they expect to be absent until after the Centennial exhibition at Philadelphia. Many friends in Oregon wish them a pleasant journey and safe return.

OUR SILVERION LETTER. Horses Poisoned. SILVERTON, Ogn., April 23. Mr. Editor:—Mr. Dan Markham and his brother living near the Abiqua bridge, three miles from Silverton, had three horses poisoned to day with strychnia.

Mr. Markham was in town to-day, and I got the following from him. It appears that their horses, six in number were out in the pasture last night; and this morning they wished to feed them and they had them driven up. Mr. Markham went round the horse, and one of the girls of the family went into the barn and put the oats in the manger. In doing so she discovered four small bunches of salt in the manger, where four of the horses had to eat. She supposed that Mr. Markham had placed it there for the horses, and thought nothing further about it at the time. In feeding the horses she stepped on one of the bunches of salt and got some mud on it and brushed the salt out of the manger. The horses came in and took their places and were tied up. In a short time, Mr. Markham noticed that all was not right with his horses, and took them out of the barn. One of them fell down and was dead in less than fifteen minutes. Another died in half an hour. The stud was affected in the same manner, having convulsions, but was alive when Mr. Markham came to turn him out. The fourth occupied by the girl brushing the salt out of the manger.

Mr. Markham found salt and strychnine mixed together where the girl brushed it out of the manger. He brought it to town and had it examined by Dr. Davis and James Brown and they both pronounced it strychnine. Mr. Markham thinks it was placed in the manger the night before by some one to kill his horses and thereby injure him.

He valued the horses that died at three hundred dollars. Mr. Markham is an old settler here, and is at a loss to know who would take such undue advantage of him.

These are particulars of the affair as near as I could get them from Mr. Markham, one of the parties interested.

From Thursday Morning's Daily. Pleasant Time. The Odd Fellows' sociable at Legislative Hall, last night, was a grand success. A large crowd was in attendance and everything passed off pleasantly.

Denial. The Captain denies the statement that he inspected Dr. McCully's finger ring with a view to purchasing. He says there is moisture enough already in the atmosphere without adding to it by machinery.

That Musical Entertainment. It is said the musical entertainment on the 20th and 21st Inst., in Corvallis was a superb affair. The Oratorio of Esther the beautiful queen was well rendered, the costumes being appropriate, the music good, and the performer's displaying a good deal of dramatic skill.

Will Go. The Chief informs us that he intends leaving us for the land of sage and manzanita as soon as the State Convention is over. We presume the boys out in Lake thought he would become a permanent resident of the Capital unless they hunted up a campaign for him. But how can we I. O. O. F. spare their chief?

Contract Awarded.

Our townsmen Mr. J. Rhoad Esq., has been awarded the contract of taking water to the Fair grounds from the Penitentiary. The distance is something over two miles and the arrangement involves the construction of several large tanks or reservoirs. The contract price is between six and seven thousand dollars. The work will be done in the best of style.

That Fishing Excursion. The Chief informs us that Supt. Sikes Warden has returned to Klamath Agency, from Lost river with his hunting and fishing party of five hundred red-skins. Sikes is one of the most expert mountaineers in the west and under his management the valiant Klamaths got away with the scalp of many a mule, deer and antelope, and took for winter use, at least 75 tons of the finny tribe.

Prize Speaker. During Commencement week at the Willamette University, each year, there is a prize of a gold medal awarded by the trustees of the University, for the best declaimer, accordingly there is one elected from each of the 4 societies to contend for the same. At the last meetings of the several societies, the following persons were chosen to contend for the prize: Miss Ada May will represent the Athenaeum society; Miss Mary Powell, will contest the claims of Miss Ada May, for the concordia society; Mr. Frank Irvine has been elected by the Alka, and Mr. R. D. Allen of the Hesperians will do all in his power to get the prize. All of the above are well known as declaimers and our citizens can look for a fine contest.

Republican Delegates. The following are the delegates elected to the Republican State Convention from Linn county: E. Pike, J. B. McEay, E. McClure, O. P. Tompkins, S. A. Smith, A. C. Housman, A. P. Gains, John Redman, D. M. Thompson, M. B. Humphrey.

The following persons were elected delegates to the Republican State Convention in Portland, yesterday: Charles Hodge, R. Weeks, W. H. Watkins, C. A. Ball, H. C. Shattuck, P. Kelly, John McCracken, G. A. Dolph, J. D. Biles, George V. James, Geo. A. Steel, D. Goodsell.

A CARD. EDITOR STATESMAN:—I see by your last issue (weekly) I was nominated for orator of Polk county. I hereby most respectfully decline said nomination, as I desire no office whatever. Very respectfully, W. C. WARREN.

Called. Dr. G. H. Davis, of Solo, called yesterday. He is rapidly building up an extensive practice, through most successful treatment of the various diseases peculiar to our State.

Called. A calico party will be given on the evening of May 5th next at the Chalmers Hotel in this city. The committee of arrangements consists of Gen. Bell, E. Meyer, E. B. Croasman, H. H. Gilroy and E. B. Becky, which insures a pleasant time.

Woolen Wedding. A. N. Gilbert and wife celebrated their "woolen wedding" yesterday. A large number of friends called with words of appropriate presents, and after enjoying a few hours of amusement, departed, leaving best wishes for the happy couple.

Prizes to be Awarded at the University. According to the custom, on Commencement Week, at the University, there will be the usual prizes offered for the best declaimers, ladies and gentlemen. In addition to the above there will be a gold medal offered by Mr. A. Bush for the best speller in the school, contrast to some of some time during Commencement Week. Mr. J. M. Garrison, the popular writing master of this city, also intends offering a handsome prize for the best writer in the school. Mr. Garrison has a small class which he is intending to train for the same and he expects to make them the best writers in the school.

Meeting of Pioneer Association. There will be a meeting of the Board of Directors of the Oregon Pioneer Association held in the Senate Chamber at 2 o'clock p. m., on Thursday, May 4, 1876, at which time all the members of the Board are requested to be present, and the different committees to submit reports for action, in regard to the re-union to be held on the 15th of June next.

Other papers are requested to publish as a matter of news. J. H. Bowers, Sec'y O. P. A.

Opening for Lead Stoves. Mr. Kiblinger has just returned from a trip to the Kohler, fifty miles west of Salem. He says he found a splendid country on both the Little and Big Nestucka rivers, nearly all of which is open to settlement under the homestead law. A number of settlers have already taken up land and will build houses and take up a permanent residence the present spring. The country is well timbered and watered and as a grazing country is not surpassed on this coast. A few settlers have planted gardens and sowed small quantities of grain. Persons desiring good lands under the homestead law will do well to go and look at that portion of Oregon.

SPECIAL NOTICE. Notice is hereby given that I have sold out the Salem Drug Store, and good will to Messrs. T. C. Smith & Co.

Thanking the public for past favors and hoping in behalf of the new firm you will continue to bestow them. You will find them in Patton's Block, State street, elegantly fitted up with pure and fresh drugs of every description. Having long been connected with T. C. Smith, I can safely recommend him as a first class druggist and one who understands the business.

All persons knowing themselves indebted to the Salem Drug Store will please call and settle the same with myself or with T. C. Smith & Co. And all persons owing in the dry goods department call at my place of business in executive block, Commercial st. and settle the same. S. FRIEDMAN.

The National Gold Medal was awarded to David A. Johnston for the best Photograph in the U. S. Exposition, held at the National Academy of Design, New York, in the month of May, 1876.

DEMOCRATIC STATE CONVENTION.

Proceedings of the Democratic State Convention, held in Salem, April 26. The Democratic State Convention assembled in Reed's Opera House at 11 o'clock a. m., yesterday, and was called to order by Hon. Henry Klippel, Chairman of the Democratic State Central Committee.

Hon. B. F. Burch, of Polk, was elected temporary chairman. C. B. Bellinger, of Multnomah, was elected temporary secretary. On motion a committee of five on credentials was appointed, viz: Nolting, Whitaker, Klippel, Isom and Stanton.

Weatherford, of Linn, moved that a committee of five on order of business be appointed by the chair, which, after some discussion was rejected. Mr. Staats, of Polk, moved to adjourn to 1 o'clock. Lost.

On motion of Isom, of Baker, a recess was declared for 30 minutes to await the report of the committee on credentials. The time fixed for the recess having expired, the Convention was again called to order.

On motion of Nolting, of Clackamas, the delegates present were authorized to cast the vote of absent delegates from their respective counties. On motion of Petrain, of Multnomah, the temporary officers were made the permanent officers of the Convention.

Palmer, of Benton, moved that the chair appoint a committee of five on order of business, carried. On motion, M. V. Brown, of Albany, was appointed assistant secretary. On motion of Nolting, a committee of one from each county was appointed on resolutions. On motion, adjourned to 2:30 p. m.

AFTERNOON SESSION. The convention reassembled at 2:30 p. m. The reports of committees were called for. The committee on Order of Business reported the following order: First—Adoption of platform. Second—Election of delegates to the National Convention. Third—Nominations of candidates for Circuit Judges. Fourth—Nomination of District Attorneys. Fifth—Nomination for candidate to Congress. Sixth—Nominations of candidates for Presidential Electors. Seventh—Appointment of State Central Committee.

White, of Clackamas, moved to adopt the order of business on motion at a time. Adopted. The first four sections of the Order of Business were, on motion, adopted. Tichenor, of Curry, moved to adopt the 5th order, providing for the nomination of a Congressman, and upon this motion the yeas and nays were called for. After considerable discussion, pro and con the previous question was called for and sustained, which, upon motion of Klippel, of Jackson was afterwards reconsidered and the discussion continued.

Tichenor, of Curry, moved to postpone the further consideration of the subject to 7 p. m. Lost. The committee on resolutions made their report, which was adopted, but is too lengthy for publication.

Isom, of Baker, moved that the convention proceed to select delegates to the National Convention, in the following order: One from each judicial district, and one from the State at large. The yeas and nays were called for. Yeas, 71; nays, 43. So the motion prevailed.

On motion of Rankin, of Marion, the Convention adjourned to 7 p. m. EVENING SESSION. The committee met at 8 o'clock and proceeded to ballot for candidates. The following gentlemen were nominated for Judges: Judge Bonham, Judge McArthur, and Mr. Thompson. Hon. L. F. Lane was nominated for Congress by acclamation. M. Clippel, E. Cronin and L. W. Lasswell were nominated for Presidential electors.

Removing Life's Heaviest Burden. To remove the burden of disease, the heaviest that poor humanity is compelled to bear, is certainly a grand object, a glorious mission. Assuredly the discoverer of a remedy which accomplishes this result is entitled to the gratitude and respect of mankind. Such a remedy is Hostetter's Stomach Bitters, whose great success is attributable to the fact that its restorative action upon the debilitated and disordered system is in accordance with the principles of common sense. It invigorates the sick, and as their strength increases, the burden of disease grows lighter. It reforms those physical irregularities which render weakness chronic, and thus eradicates the evil at its very source. Liver complaint, malarious fevers, constipation, urinary troubles, uterine weakness, and many other causes of general debility and ill health, are completely removed by the combined tonic and alterative operation of the Bitters.

"Leap Year" said he as he threw himself indolently upon the lounge. "Oh, I wish I was a fascinating stammerer of a gal! I'd have all my clothes cast after the 'Domestic Fashions,' and just heap the style on. And wouldn't I pile on the duds and wear a big bustle! Oh, no, H! 'cub?' and just here his father, as he led him out by the ear, said: "Young man, if you don't climb out'n this and make a big bustle in the neighborhood of that wood-pile, I'll fix you so you couldn't wear a bustle for a month."

SYMPTOMS OF CATARRH. Dull, heavy headache, obstruction of the nasal passages, discharge falling into the throat, sometimes profuse, watery, acid, thick and becomes mucous, purulent, mucopurulent, bloody, putrid, offensive, etc. In others, a dryness, dry, watery, weak, or inflamed eyes, ringing in ears, deafness, hawking and coughing to clear the throat, operations, scabs from ulcers, voice altered, nasal twang, offensive breath, impaired smell and taste, dizziness, mental depression, feeling cold, etc. Only a few of the above symptoms are likely to be present in any case at one time.

When applied with Dr. Pierce's Nasal Douche, and accompanied with Dr. Pierce's Golden Medical Discovery as constitutional treatment, Dr. Sage's Catarrh Remedy produces perfect cures of the worst cases of Catarrh and Ozen of many years standing. This thorough course of medication constitutes the only scientific, rational, safe, and successful manner of treating this obnoxious disease, that has ever been offered to the afflicted.

For Sale. A fine lot of Game-Chief potatoes for seed choice (Hill) and spring wheat, and two thousand square of extra heavy paper, also new paper, 100 lbs. M. O. G. No. 1. Price \$1.00 per ton.

LOCAL NOTES.

Senator Daly from Dallas arrived in this city last night. Dr. G. H. Davis is in town, registered at the Chalmers.

Sheriff Dale of Yamhill county is in the city as jolly as ever. It is reported that President Gatch, of the Willamette University, will go to Eugene and take charge of the State University. We give considerable space to the subject of Polk county politics to-day. It is well to discuss all sides and phases of all subjects.

Harpers Magazine for May, is received. It is well filled with valuable reading matter, calculated both to please and instruct all classes. J. S. Cooper, Esq., a prominent Republican of Polk county called yesterday. He is confident of the election of the entire Republican ticket in that county.

Dr. J. W. McCully has a new style of finger ring which beats all the jewelry ever brought to this market. Capt. Applegate inspected in last night with a view to purchasing it. A marriage in high life is about to be consummated over in Polk county. The male actor is about six feet two inches high, and weighs less than a thousand miles from Salem. He is high up in the I. O. O. F. S.

The 57th anniversary of the introduction of Old Fellowship in America was appropriately celebrated yesterday at Lafayette. Members from Washington and Yamhill counties united. Judge Enoch Holt, of Linn county, attended the Democratic State convention. He says the farmers in his neighborhood are pretty well along with sowing grain notwithstanding the wet weather.

The Benton Democrat publishes a call, signed by several of the prominent citizens of Benton county, for a meeting to be held May 6th, to nominate a county ticket, irrespective of existing tickets. Captain Miles Bell, of the swift and reliable Alca, has tendered the use of his beautiful craft, free of charge, for a grand moonlight excursion from Albany to Corvallis and return for the benefit of the College Improvement Society.

W. C. Kennedy Esq., Republican candidate for County Clerk of Polk county, called on us yesterday. He is a very clever gentleman, popular with the people of his county and sure of election. Mr. K. is well qualified for the place and will doubtless give satisfaction. Dr. A. Geisey and Mr. S. B. Hendee, of Aurora called last night. Mr. H. Reports frequent "mists" in the section from which he hails, and business moderate. Politics stirring the people up, and a rousing Republican majority may be expected from that part of the county.
