I have taken out of pawn, and now offer for sale, an 18-karat gold, straight-line, chronometer, American lever watch; a P. S. Bartlett movement, full jeweled, sunk second—a perfect time-piece—four ounce case; cost the gentleman who pawned it with me, $220. I will sell it for the amount loaned and two months interest—$98; warranted for eight years. Uncle Harris, 702 Kearney street, four doors from the City Hall, San Francisco. Send right away for this, before it is sold.

Sense of Weariness

is often felt by persons who can not locate any particular disease. If they work, it becomes labor; if they walk, they soon tire; mental efforts become a burden, and even joys are dimmed by the shadow of this weakness which is cast over their lives. Recourse is had sometimes to stimulants of a dangerous character. The advice of physicians to refrain from active labor produces no happy results. Why? The system is debilitated and needs to be built up properly. Peruvian Syrup will do this very thing. Like the electric current, it permeates the entire system, and harmonizing with the corporeal functions, it raises up the enfeebled and brings the color to the cheek again, and hope to the despondent. It does its work promptly and well. Sold by all druggists.

Do it at Once.

If a tithe of the testimonials now on hand o the value of Dr. Wistar's Balsam of Wild Cherry should be published, no one would stop to read the bulky volume. Ask any druggist and he will tell you that this Balsam is a real blessing to all affected with lung or throat diseases. All kindred affections, including Bronchitis, Sore Throat, Croup, Hoarseness, Pains in the Chest, and bleeding of the Lungs, yield to its wonderful power. We advise any one tired of experimenting with Physicians' prescriptions or quack medicines to drop them at once and use this Balsam of Wild Cherry. Sold by all druggists.

Lyons Kathairon makes beautiful, glossy, luxuriant hair; prevents its falling out or turning gray. It has stood the test of 40 years. Is charmingly perfumed, and has no rival.

Hagan's Magnolia Balm preserves and restores the complexion; removes freckles, tan and sallowness; makes the skin soft, white and delicate. Its application cannot be detected.

CENTAUR LINIMENTS.

The Quickest, Surest and Cheapest Remedies.

Physicians recommend, and Farriers declare that no such remedies have ever before been in use. Words are cheap, but the proprietors of these articles will present trial bottles to medical men, gratis, and will guarantee more rapid and satisfactory results than have ever before been obtained.

The Centaur Liniment, White Wrapper, will cure Rheumatism, Neuralgia, Lumbago, Salt-rheum, Caked Breasts, Sore Nipples, Frosted Feet, Chilblains, Swellings, Sprains, and any ordinary

FLESH, BONE AND MUSCLE AILMENT.

It will extract the poison of bites and stings, and heal burns or scalds without a scar. Lockjaw, Palsy, Weak Back, Caked Breasts, Earache, Toothache, Itch and Cutaneous Eruptions readily yield to its treatment.

Henry Black, of Ada, Hardin Co., Ohio, says: "My wife has had rheumatism for five years—no rest, no sleep,—could scarcely walk across the floor. She is now completely cured by the use of Centaur Liniment. We all feel thankful to you, and recommend your wonderful medicine to all our friends."

James Hurd, of Zanesville, O., says: The Centaur Liniment cured my Neuralgia."

Alfred Tush, of Newark, writes: "Send me one dozen bottles by express. The Liniment has saved my leg. I want to distribute it, &c."

The sale of this Liniment is increasing rapidly.

The Centaur Liniment, Yellow Wrapper is for the tough skin, flesh and muscles of

HORSES, MULES AND ANIMALS.

We have never yet seen a case of Spavin, Sweeny, Ring-bone, Wind-gall, Scratches or Poll-Evil, which this Liniment would not speedily benefit, and we never saw but a few cases which it would not cure. It will cure when anything can. It is folly to spend $20, for a Farrier, when one dollar's worth of Centaur Liniment will do better. The following is a sample of the testimony produced:

JEFFERSON, Mo., Nov. 10, 1872.

"Some time ago I was shipping horses to St Louis. I got one badly crippled in the car. With great difficulty I got him to the stable, on Fourth Avenue. The stable-keeper gave me a bottle of your Centaur Liniment which I used with such success that in two days the horse was as active and nearly well. I have been a veterinary surgeon for thirty years, but your Liniment heads anything I ever used.

A. J. M'CARTY, Veterinary Surgeon."

For a postage stamp we will mail a Centaur Almanac, containing hundreds of certificates from every State in the Union. These Liniments are now sold by all dealers in the country.

MOTHERS.

Castoria is the result of 20 years experiments, by Dr. Samuel Pitcher, of Massachusetts. It is a vegetable preparation as effective as Castor Oil, but perfectly pleasant to the taste. It can be taken by the youngest infant, and neither gags nor grimes. Dr. A. J. Green, of Royston, Ind., says of it:

"MISE—I have tried the Castoria and can speak highly of its merits. It will, I think, do away entirely with Castor Oil; it is pleasant and harmless, and is wonderfully efficacious as an aperient and laxative. It is the very thing.

The Castoria destroys worms, regulates the Stomach, cures Wind Colic, and promotes natural healthy sleep. It is very efficacious in Croup, and for Teething Children. Honey is not pleasanter to the taste, and Castor Oil is not so certain in its effects. It costs but 35 cents, in large bottles.
