The Hague court.

meditated.

cold and there is great scarcity of fuel.

By a sale just made, 840,000 acres of
land in Mexico has been sold to a Mor-
mon colony.

The Standard dictionary received the
grand prize, the highest award, at the
St. Louis fair.

are leaving for their home country to

James F. Cooper, associate justice of
the supreme court of the Philippine
islands, has resigned.

FIRED ON FIRST.

Russian Admiral Says He Acted
on Defensive.

St. Petersburg, Oct. 29.—The mys-
tery of the trawler affair, instead of be-
ing cleared up by Vice Admiral Rojest-
vensky's report today, appears to be
deeper than ever. The admiral declares
he was attacked in the darkness by two
torpedo boats which came upon the
squadron from the direction of the fish-
ing fleet. He opened fire and believes
he sank one of the torpedo boats, the
other making off under cover among
the fishermen.

As soon as he noticed the fishermen,
Admiral Rojestvensky ceased firing.
He proceeded on his way without leav-
ing any vessel behind, and says he be-
lieves the vessel which the fishermen
reported remained on the scene for six
hours without offering succor to the
drowning was the other torpedo boat,
either waiting for her consort or re-
pairing damage inflicted by the fire of
his ships. The admiral declares no
torpedo boats were with the squadron.

In concluding his telegram, Admiral
Rojestvensky expressed in the most
warm hearted way the regrets of the
whole squadron to the fishermen who
had suffered, and to the families of the
victims.

STRIPS FOR WAR.

Great Britain Is Rapidly Making Her
Ships Ready.

London, Oct. 29.—Notwithstanding
the diplomatic check in consequence of
Admiral Rojestvensky's report, it is
evident that Great Britain is preparing
for the possibility of war. Tremendous
activity is reported from all dockyards,
where vessels under repair are being
made ready for sea under urgent orders
from the admiralty.

While no time limit for the receipt
of Russia's reply has been fixed, it is
generally understood today that the
route of the Russian squadron past
Gibraltar will be barred by the Chan-
nel squadron, commanded by Vice Ad-
miral Lord Charles Beresford.

Perhaps the most significant develop-
ment is the cabinet meeting which is
called for today. While the call was
issued prior to the receipt of Rojestven-
sky's report, which changed the situa-
tion considerably and appears to place
some of the burden of proof upon Great
Britain, the meeting undoubtedly marks
the reaching of a serious stage.

The ships of the British channel fleet
cleared their decks this afternoon. It
is rumored that the whole fleet, with
the exception of the battleship Caesar,
will steam westward tomorrow with
the alleged purpose of making a sham
attack against the Rock of Gibraltar.

GLAD ALEXIEFF IS OUT.

Russians Believe He Will Return,
Now Kuropatkin Is in Power.

St. Petersburg, Oct. 29.—Viceroy
Alexieff's order of the day announcing
Kuropatkin's appointment is in the
same grandiose vein as Kuropatkin's
order of October 5, and is regarded as
having definitely established the auth-
orship of that ill-starred document.

While Alexieff takes particular
pains, in turning over the supreme
command of the land forces to Kuro-
patkin, to inform the soldiers and the
world of the marks of imperial confi-
dence reposed in him, and to announce
that he will remain as viceroy, the or-
der is considered as virtually his fare-
well address, and that it will soon be
followed by his return to St. Peters-
burg. His elimination as a factor in
the military situation has caused a
sigh of relief.

The papers all welcome the an-
nouncement of Kuropatkin's appoint-
ment to the chief command as a well-
merited recompense for the manner in
which he discharged the difficult role
imposed upon him, and, reading be-
tween the lines, as a promise of better
results now that Alexieff is eliminated,
and there is no longer a prospect of
elevation of a grand duke to the su-
preme command.

Meat Is for Russia.

Kansas City, Oct. 29.—D. H. Mc-
Mullen, a Tacoma lumberman, who
arrived here today from Omaha, says
that the order for 3,000,000 pounds of
meat received by an Omaha packing
company was given by the Russian
government. He said: "The beef
must be shipped out of San Francisco
within 30 days. There were two Jap-
anese agents in the packing house
office at the time that the Russians
were there to give the order." Mc-
Mullen added that the Japanese also
had given an order for meat.

Street Car Runs Into River.

El Paso, Tex., Oct. 29.—An electric
car on the line between this city and
the El Paso Smelting works, in Towne,
Tex., jumped the track today, with 75
passengers, and ran into the Rio
Grande river. Several passengers were
injured, but none were killed. The
embankment was about 12 feet high,
and the car plunged into 10 feet of
water. The river had undermined the
track.
