TIMOTHY BROWNHILL
Madras, Oregon.

Nevada.
Reno, Nev., Nov. 10.—There are still about 70 precincts to hear from in this state. A conservative estimate places Roosevelt's plurality at between 2,500 and 3,000. Yerington, Rep., is elected over Van Duser, Dem., by about 100. Nixon, Rep., for senator, will control the legislature by about three votes.

Ohio.
Columbus, O., Nov. 10.—Nearly complete returns tonight show close to 250,000 plurality for Roosevelt and Fairbanks electors. Only 18 out of the 88 counties in the state have been carried for Parker and only one Democratic congressman has been elected out of 21. State Chairman Harvey Garber, the Democratic candidate in the Fourth district, has 1,800 plurality in a district normally 6,000 Democratic.

Colorado.
Denver, Nov. 10.—D. B. Fairley, Republican state chairman, today abandoned his claim that Governor J. H. Peabody had been re-elected, and the governor himself conceded his defeat. Adams' majority over Peabody in the city and county of Denver is 8,070, and in the entire state about 5,500.

Pennsylvania.
Philadelphia, Nov. 10.—Complete but unofficial figures received by the Associated Press from every county in the state, with the exception of Allegheny, in which Pittsburg is situated, but from where a close estimate has been obtained, shows that President Roosevelt's plurality in Pennsylvania has reached 494,952, probably the largest plurality ever given a presidential candidate by any state in the political history of the country.

West Virginia.
Parkersburg, W. Va., Nov. 10.—The official returns for West Virginia are not yet in, but from returns received Roosevelt's plurality in the state is placed at 25,000 to 30,000. The Republican state committee claims the election of W. G. Dawson, Rep., for governor, by about 9,000 plurality. The Democratic state committee concedes his election by about 5,000.

Missouri.
St. Louis, Nov. 10.—With seven counties still to be heard from the returns show that Roosevelt's plurality in Missouri stood at 15,755. Of the seven counties unheard from six went for Bryan in 1900. They are remote and sparsely settled. With complete returns from 96 counties out of 114 at hand, the entire Republican state ticket, with the exception of governor, has been elected by pluralities of 350 to 15,000.

Minnesota.
St. Paul, Nov. 10.—Incomplete returns from all counties in Minnesota show that Johnson, Dem., was elected governor by a majority of 13,000. Returns received here today show that the next Minnesota house of representatives will have 107 Republicans and 12 Democrats.

Montana.
Butte, Mont., Nov. 10.—The returns from Tuesday's election thus far received seem to give the Republicans the best of it in the next legislature. The house, it is figured on actual returns, will be Republicans 37, Democrats 31, doubtful 4. The senate from present indications will be 15 Republicans, 10 Democrats and 1 doubtful. A Republican legislature insures the return of ex-senator Thomas H. Carter to the United States.

New York.
New York, Nov. 9.—Returns from the whole state show that Roosevelt has 174,000 plurality and that Higgins for governor has 80,000. The legislature will have 102 Republicans out of 150, and 35 Republican senators out of 60. Parker carried Greater New York, with one election district missing, by 35,999. Brooklyn was carried by Roosevelt by 1,080. Herrick carried Greater New York, with one election district missing, by 80,625, and Brooklyn by 5,404.

Iowa.
Des Moines, Iowa, Nov. 11.—Complete unofficial returns from every county in the state were received by the state auditor today. The vote on president follows: Roosevelt, Rep., 381,570; Parker, Dem., 165,589; Debs., Soc., 78,342; Swallow, Prohi., 7,285; Watson, Pop., 1,791. These are the figures that will be canvassed by the board in December.

South Dakota.
Sioux Falls, S. D., Nov. 9.—Chairman Martin, of the Democratic state central committee, has issued a statement in which he concedes Roosevelt polled 60,000 votes, Parker 30,000 and Watson 15,000.

North Dakota.
Grand Forks, N. D., Nov. 9.—Roosevelt carried North Dakota by from 20,000 to 25,000. This is an increase of over 60 per cent from McKinley's majority. The state ticket is elected by probably 4,000 less.

Maine.
Portland, Maine, Nov. 9.—With a slightly decreased vote Maine today gave the usual Republican majorities. Democrats showed less interest than Republicans and many did not vote.

Connecticut.
New Haven, Conn., Nov. 9.—Complete returns from the state give Roosevelt 111,336; Parker 72,167. For governor: Roberts, Rep., 104,763; Robertson, Dem., 78,187.

Rhode Island.
Providence, R. I., Nov. 9.—Complete returns from Rhode Island for president give: Roosevelt 40,898; Parker 2,924; Roosevelt's plurality 15,974. Utter, Rep., will be elected governor by less than 5,000 plurality. The legislature is overwhelmingly Republican.

Wyoming.
Cheyenne, Wyo., Nov. 9.—Roosevelt has carried Wyoming by 7,500 to 8,000. Brooks, Republican, has been elected governor by over 4,000 over Osborne, Democratic.

New Jersey.
Newark, N. J., Nov. 9.—New Jersey was carried by the Republicans by a bigger majority than ever the most sanguine of the Republican predictions. The state gave in the neighborhood of 60,000 for Roosevelt.

Virginia.
Richmond, Va., Nov. 9.—The state has gone about the usual number Democratic.

Mississippi.
Jackson, Miss., Nov. 9.—The Democratic plurality is unusually large in Mississippi, having reached the total of about 50,000. All Democratic congressmen are elected.

Michigan.
Detroit, Nov. 9.—Michigan today was the scene of a veritable landslide. Roosevelt and Fairbanks have carried the state by an unprecedented majority variously estimated at from 100,000 to 150,000. Frederick Warner for governor and the Republican state ticket are elected.

Georgia.
Savannah, Ga., Nov. 9.—This state will send all 13 Democratic electors to the college to name the president.

Vermont.
White River Junction, Vt., Nov. 9.—Complete returns from Vermont: Roosevelt 40,891; Parker 9,881; Roosevelt's plurality 30,810.

Kansas.
Topeka, Kan., Nov. 9.—At 12:30 a. m. Chairman Stubbs, of the Republican State committee, claimed the election of Hoch for governor by a plurality of 50,000. Roosevelt's plurality will be close to 100,000.

North Carolina.
Charlotte, N. C., Nov. 9.—The count is proceeding slowly. Republicans concede Parker a good majority.

New Hampshire.
New Hampshire has been carried overwhelmingly by the Republicans.

South Carolina.
Columbia, S. C., Nov. 9.—Parker has carried South Carolina by not less than 40,000 plurality. The Democratic state ticket has been elected without opposition.

Kentucky.
Louisville, Ky., Nov. 9.—The Republicans at this time concede the Democrats nearly everything.

Nebraska.
Omaha, Nov. 9.—At midnight the indications are that Roosevelt has carried Nebraska by a plurality of 35,000 to 40,000. The Republicans have elected congressmen in the First, Fourth, Fifth and Sixth districts. The Second and third are in doubt.

Illinois.
Chicago, Nov. 9.—The indications, based on the returns received, are that the Republican national ticket has carried Illinois by about 150,000. The Democrats declare that the figures were exaggerated, but admit that Roosevelt will have a plurality not far from 100,000.

Arkansas.
Little Rock, Ark., Nov. 9.—This state is carried by Parker by a slightly increased majority over the last general election.

Texas.
Austin, Tex., Nov. 9.—Nearly complete returns show that the vote cast will hardly exceed 375,000, of which 250,000 were cast for Parker, 60,000 for Roosevelt and the remainder scattered.

Wisconsin.
Milwaukee, Nov. 9.—It is generally conceded that Roosevelt has carried Wisconsin by 60,000. Both Republican and Democratic state chairmen claim the state respectively for La Follette and Peck.

Program of Irrigation Congress.
El Paso, Tex., Nov. 9.—The executive committee of the 12th National Irrigation congress has mailed to all delegates an advance program of the proceedings of the coming session of the congress to be held in this city November 15 to 18. On the subjects of forestry, engineering and mechanics, production by irrigation, climatology and rural settlement, the program includes addresses and papers by 87 of the most prominent experts in their respective departments.

Germany's Little War.
Berlin, Nov. 9.—According to official figures received by the foreign office, the Southwest African war has cost Germany about \$20,000,000, and although it is believed that the Herero uprising is nearing its end, the struggle with the Witbois is as bitter as ever. Fears are expressed in Berlin that the Witbois rising will be followed by rebellion movements in other parts of the colony, and it is understood that additional troops will be sent.

MINE IS EXPLODED.
Japanese Shell Drops on Itz Mountain at Port Arthur.

Cheefoo, Nov. 12.—Its mountain, according to Chinese, 120 of whom arrived here today from Port Arthur, is proving a costly obstacle to the Japanese. On the mornings of November 5 and 6 fierce assaults on the position were made by the Japanese, who were repulsed. During the second assault a shell, soaring over the other hills from Palichung, dropped on Itz mountain and demolished a mine and the mine controlling station and exploded other mines.

The Russians were holding the trenches on the boundary of the mined sections. Between 600 and 700 were killed or wounded. The Japanese, not having reached the place, were unburied. Its mountain owes the best part of its strength to the peculiar topography of the surrounding country, which prevents a direct artillery fire and does not enable the Japanese to advance trenches with the success evident elsewhere. The Japanese advanced on it in both instances from behind distant hills, with the fullest force the ground would allow, but in the long distances which they were compelled to traverse in the face of machine guns their ranks were melted. Both times the Japanese broke the wire entanglements in places. One soldier with a leg torn off was seen trying to bite the wires.

SERIES OF FIRES.
Three Perish in New York Tenement House Blazes.

New York, Nov. 12.—Three persons lost their lives, 20 were injured, and nearly half a hundred were overcome by smoke and an equal number are temporarily homeless as a result of a series of fires in various parts of the city today. In nearly every case, the fires were in tenement houses occupied by a large number of families, and at least two of them are thought to have been started by incendiaries. In no case was the property loss more than a few thousand dollars. That no more lives were lost undoubtedly was due to the fact that the flames were discovered in every instance before they had made great headway, and the excellent use made of saving appliances by the firemen. Life nets, scaling ladders and other apparatus enabled the firemen to save many persons whose escape had been cut off by the flames and choking smoke.

Nearly all the fires started in the lower parts of the buildings, and the dense clouds of smoke which swept up through the halls and elevator shafts drove the panic stricken tenants to roofs and fire escapes. Many were overcome before reaching the outer air, but with the exception of three all were found by firemen and carried out in safety.

BANDIT OUTWITS OFFICER.
Notorious Harvey Logan, Disguised as Prospector, Leaves Wyoming.

Denver, Nov. 12.—A special dispatch from Thermopolis, Wyo., says: Sheriff Fenton, of Big Horn county, and posse, with Sheriff Stough, of Fremont, have returned from the chase after Harvey Logan and his gang of Cody bank robbers, and reports that Logan, by the boldest piece of daring, outwitted the officers and made his escape out of the country last Sunday and is now well out of the state.

Logan, disguised as a prospector, with an old pack mule loaded with tools and provisions, tramped out of the Hole-in-the-Wall country, past the two passes, and made his way to Casper, where he took a train. The remainder of the gang split up, two disappearing completely and two more doubling back into the mountains two miles from Thermopolis. The latter are well known to the officers and their capture will be effected in a few days. One of these men was with Logan in the descent on the bank.

Hardships of Wrecked Crew.
San Francisco, Nov. 12.—Captain Kirkwood and 29 members of the crew of the ill-fated steamer Mineola arrived from the Orient today on the steamer Manchuria. The Mineola was wrecked about three weeks ago in Tegil bay, off the coast of Siberia, and the crew and officers had considerable difficulty in landing. They finally reached the shore, and after many hardships, arrived at Yokohama. The crew had nothing but rotten fish to eat for 24 days, when they were picked up by a British man-of-war.

For Treaties With America.
Washington, Nov. 12.—Secretary Hay has received assurances from Great Britain and Mexico that they stand prepared to negotiate arbitration treaties on the lines of that recently concluded between France and the United States. Consequently, the state department will proceed at once to complete the whole fabric of the treaties, so as to have them ready for submission to the senate when it meets again, December 5.

Thousands of Reservists Escape.
St. Petersburg, Nov. 12.—The disinclination to join the colors for service in Manchuria, which has recently become noticeable in the south of Russia, is growing general throughout the country. Competent opinion puts the number of reservists who have so far escaped at fully 20,000.
