Mrs. S. E. Fleck and a son returned last week from a trip to Portland and the fair. Her two daughters at Portland will return to Madras some time in the future.

FOR SALE.

One 1300 pound horse, one milch cow, 5-years old, a pair of good team harness, eight or 10 tons of hay, and other articles appertaining to a farm. H. F. BORDEN, Madras.

FAIR PIANOS TO BE SOLD.

Superb instruments, lovely souvenirs of the great Lewis and Clark Exposition for small prices.

The many fine Pianos, Grands, Uprights, Pianolas, Pianola-pianos and Orchestralies used at our glorious Exposition in the Oregon, California, Massachusetts, Washington, Illinois, New York, Idaho, Maine, Oriental, Y. W. C. A., N. C. F. Co.'s, and other buildings, are to be closed out at Ellers's Piano House, at once.

Please remember that in every respect these pianos are as good as new. They have not been in a booth, or in an exhibit or on The Trail, exposed to dampness, drafts and heat, but were placed in the various state buildings, carefully protected and guarded as they would have been in the parlors of our finest homes. So largely they figured in the many delightful social functions at these buildings that they possess historic value as well as being very desirable from a musical standpoint.

Many of them specially selected by great artists, musicians and connoisseurs and every one of them represents in every respect the very highest grade and character of the very best in American piano making.

The Ellers Piano House positive guarantee accompanies each instrument sold. "Money back" if instrument purchased is not found, after delivery, exactly satisfactory or as represented.
