The Jar of Coughing

Hammer blows, steadily applied, break the hardest rock. Coughing, day after day, jars and tears the throat and lungs until the healthy tissues give way. Ayer's Cherry Pectoral stops the coughing, and heals the torn membranes.

When Lincoln Won His Spurs. Leaving the question of his relative standing in the profession at large for further consideration, it is confidently submitted that Lincoln won a creditable position at the local bar, almost at the outset of his career, among contemporaries who were not only capable lawyers, but men of exceptional force and character. Indeed, it is exceedingly doubtful if the bar of any other State in the Union possessed as much native talent and ability as the frontier State of Illinois when Lincoln won his spurs.—Century.

Author—But the passengers rise up as one man and put the robbers out of business!

Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

A Twice-Told Tale.

A Massachusetts lawyer has a notori-

ously treacherous memory for details.

This falling occasionally leads him to

garble a joke in repeating it. Recently

he met a friend, who, clapping him

upon the shoulder, said enthusiastically:

"Well, old man, this is a fine day for

the race, isn't it?"

"Why, what race?"

"The human race," said the friend

—and fled.

This was the first time the lawyer

had ever heard this very ancient joke,

so he determined to get it off on the

next man he met—and he did, in the

same manner:

"Hello, Godfrey, isn't this a fine day

for the trot?"

"Trot—what trot?"

"By gad," stammered the lawyer,

"I swear there was a joke there, but I

can't find it now!"—Lippincott's.
