J. E. Loveall, of Shaniko, was a visitor in Madras several days during the past week, having driven over from Shaniko with Dr. King. He is very much surprised at the improvement in Madras since his last visit, and he says that in his opinion Madras will be the best town in central Oregon.

Knox Huston, one of the pioneer citizens of the county, died at his home at Prineville last week, of Bright's disease. Mr. Huston has been a surveyor and land locator in this county for a number of years, and probably no man in the county was more familiar with all sections than he. He was a candidate for county surveyor at the time of his death.

Miss Marie Galloway met with a very painful accident last Saturday evening, while on her way from Haycreek to Shaniko on the Prineville stage. When on McPherson hill the stage struck a large rock and was upset, the passengers being thrown out and several of them receiving more or less serious injuries. Miss Galloway received a number of painful injuries, although the first report that her arm was broken is since denied. She continued her journey to Wasco, but she has not yet been able to take up her duties with the O. T. Company.

SELL RIGHT-OF-WAY

U. S. Cowles and wife deeded right-of-way across their property on the Deschutes, to the Oregon Trunk Line, on Tuesday. One stipulation in this deed for right-of-way was that actual construction work should begin on the road for which the right-of-way was given, within sixty days from date. If work does not begin within that time, the right of way reverts to Mr. Cowles. This begins to look like the Oregon Trunk Line means business.
