## FRANK SMITH KILLED

**Murderer of Three Officers Meets** Death Near New Era.

## **STOLEN CAP IDENTIFIES FUGITIVE**

Fugitive Had Doubled on His Track and Was Heading Toward Portland When Shot by Posse.

er, who was in charge of the blood- of patients. hounds that he had brought from Spokane to help in hunting the fugitive could help themselves, jumped from their cots and beds, and, hastily donning what clothes they could find, fled

After being surrounded in the woods between the Willamette river and the railroad tracks at this place this morning, posses began dynamiting the underbrush to bring him out. Draper, accompanied by the dogs, went into the timber and Smith was discovered behind a log. He made a desperate at-tempt to shoot, but Draper anticipated

and killing him instantly.

Smith bore no wounds, showing conclusively that he had not been wounds weak and unstrumed by any of the previous shots fired at from the hospital.

river, about half a mile from this place, surrounded by posses of armed men who were dynamiting the woods to drive the fugitive out, Frank Smith, the desperado, who made a sensational escape from the city jail at Portland, and since his flight last week has killed three officers, made his last stand.

After murdering Policeman Hanlon at Oregon City, Smith was next located Woodburn by Sheriff Shaver of Clackamas and Captain O. D. Henderson of Woodburn, whom he mortally wounded, both dying at Salem a few hours later.

The bandit then disappeared as com-pletely as if the earth had opened up and enfolded him. Many rumors were prevalent of the murderer being seen during the last few days in various the flames. It was only by hard work parts of the district where he was bebe found until this morning, when, entirely destroyed, and prevented a weary and worn with his long flight, spreading to the general hospital.

The origin of the fire is unknown.

The gray cap, slightly torn in one seam, which was stolen from the Canby postoffice, and which Smith were, proved his undoing. The stolen cap belonged to Willie Stuniger, who lives near New

Willie was pumping water for the cows this morning when he saw a man pass along the road wearing his own Willie recognized the cap at once and gave the alarm.

This positive identification brought out the posses in force, and 200 armed

men with dogs were presently hunting fire. down the fugitive. Smith stopped to talk to Flagman rehibald on the Southern Pacific tracks. While they were in conversa-

tion one of the numerous armed parties that has been scouring the country appeared down the road. "Well, I must take to the woods," said Smith. With that he dashed into

the brush. He was surrounded between the rail-

way tracks and the Willamette river, half a mile below New Era.

## MONEY NEEDED FOR RELIEF.

Red Cross Sends \$300,000, and Has Another \$1,000,000.

Washington, May 1 .- Three hundred thousand dollars were forwarded by wire by the American Red Cross to-San Francisco, and he was advised that legal. \$1,000,000 more is at the disposal of the

Judge W. W. Morrow, president of the vised the Red Cross today that it will be better from this time on for the society to send money to California rather than food and provisions, as the immediate needs are provided for.

Dr. Edward T. Devine, special representative of the Red Cross at San Francisco, made the following report today

"I have tabulation from Quartermaster Devol of supplies reported to have been received up to April 28 and of supplies en route or ordered. It shows on the whole remarkable discrimination and intelligent purchases. Supplies received:
"Five carloads of stoves, 1,850 stove-

pipe joints, 28 carloads of forage, 1,600 of an old adobe building. The heaviest tons and 25 carloads of tentage, two cars and 250,000 feet of lumber, 160 new \$150,000 courthouse was almost totons of lime, 170 tons of medical supplies, two carloads of acid and chemicals, seven carloads of wood, 241 cars and four steamerloads of subsistence stores, 1,570 tons of flour, five cars of fresh meats, 185 cars of miscellaneous stores, one car of oranges, five cars of elothing, two ears of salt, camp outfit of Los Angeles, 28 cars."

## Bristol Case in Doubt.
