

UNITED STATES SENATOR FROM SOUTH CAROLINA PRAISES PE-RU-NA.

Ex-Senator M. C. Butler.

Dyspepsia is often caused by catarrh of the stomach—Peruna relieves catarrh of the stomach and is therefore a cure for dyspepsia.

Sen. M. C. Butler, Ex-U. S. Senator from South Carolina for two terms, in a letter from Washington, D. C., writes to the Peruna Medical Co. as follows:

"I can recommend Peruna for dyspepsia and stomach trouble. I have been using your medicine for a short time and I feel very much relieved. It is indeed a wonderful medicine, being a good tonic."

catarrh of the stomach is the correct cause for most cases of dyspepsia. In the case of catarrh of the stomach, catarrh must be eradicated. Only an internal catarrh remedy, such as Peruna, is available. Peruna exactly meets the indications.

Eighty-nine towns own their gas works, the average net income \$1,947.125 per annum.

**Good Idea.**  
"I have many beautiful thoughts," said the long-haired boarder, who imagines he is a born poet, "that I propose to give to the public in the near future."  
"That's a good idea, young man," growled the fussy bachelor. "It's a cinch you could never induce the public to buy them."

**A Bargain Counter Encounter.**  
One of the shops in town has been selling fur goods at a reduction since Christmas, says the Washington Post. Ever so many people responded to the call of the advertisement. One of those persons was a tall, commanding looking woman, with a determined ring in her voice. She paused beside a tableful of muffs and neck pieces, and began to discuss them with the saleswoman. She looked at this muff and then at that, and at length her eyes fell on a milk muff lying at a little distance from the others. She picked it up and looked at it disapprovingly. "You don't mean to tell me you expect anybody to pay good money for a thing like that, do you?" she demanded.

There was a faint exclamation from a woman whose back had been turned at that moment. She snatched the muff from the hands of the commanding looking woman. There was not a word spoken, but for the space of ten seconds I fully expected the two to take their corners, and I was prepared to put my money on the woman who owned the muff.

**Birds Have Spectacles.**  
Many birds are provided with natural spectacles, a transparent membrane called the third eyelid. This third eyelid when not in use lies folded in the inner corner of the eye. Two muscles work it, spreading it over the cornea or folding it up again much more cleverly than a man can put on or take off his spectacles. But for this third eyelid the eagle could not look at the sun.

**Shifting the Blame.**  
"Smithers is one of those people who manage to shift the blame whenever anything goes wrong."  
"Yes," answered Miss Cayenne, "I observe that he always has to be coaxed to sing."—Washington Star.

**Better Late Than—**  
"What would you do if a man were to court you until you were 80 years old?" said some one who was reading a newspaper item of a similar case.  
"Why," said Miss Passay, "I'd marry him!"

**Exactly.**  
"Yes, they're just like brothers, aren't they?"  
"Nonsense! They're fighting nearly all the time."  
"Of course; that's what I mean."—Philadelphia Press.  
**Skeptical.**  
"Mary, I've just ordered some artificial ice sent up to the house," called John over the phone.  
"Dear me!" called back Mary. "Do you think it'll be as cold as the other kind?"

**Consequence of a Rash Act.**  
"Our wife," wrote the editor of the Spikeown Blizzard, "is sick from overwork. While she was snoring around our sanctum yesterday morning she found the office towel and insisted on taking it home and washing it. Such a thing never happened before, and with the help of the Lord it shall never happen again!"

**Clumsy Explanation.**  
"I'll never speak to you again, Jack Harkalong! You're a deceitful wretch. You told a friend of mine you saw me with my new hat on at church last Sunday morning, and that I was a sight!"  
"The spiteful thing! Dear, I said you were a sight for sore eyes."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

**A WOMAN'S KIDNEYS.**  
Women have so much to do, so many pains to suffer, so many critical periods to go through, that it is important to keep the kidneys well and avoid the back-ache, bearing down pain, headaches, dizziness, languor and other common signs of weak kidneys. Mrs. Charles E. Smith, of 22 Boyden St., Woonsocket, R. I., says: "My kidneys were weak from childhood, and for eight or ten years past my sufferings were terrible. My back was very painful and I had many annoying symptoms besides. When I began taking Doan's Kidney Pills I weighed only 120. Today I weigh 165, and am in better health than for years. Doan's Kidney Pills have been my only kidney medicine during four years past. They bring me out of every attack."

**Anything But a Joke.**  
"These alleged jokes about the summer girl who gets engaged just for fun," remarked the sad-eyed passenger as he let a comic weekly fall to the floor of the car, "make me real weary."  
"What's the answer?" queried the hardware drummer.  
"I met that kind of a girl last summer," explained the sad-eyed party, "and thinking the joke compilers knew their business, I got engaged to her."  
"Well!" said the h. d., as the other paused to light his pipe.  
"But instead of acting according to the dope sheet," continued he of the sad optics, "she jumped the hurdle and married me about the time the leaves began to turn."

# THE KING OF BLOOD PURIFIERS

No other remedy has given such perfect satisfaction as a blood purifier and tonic or is so reliable in the cure of blood diseases of every character as S. S. S. It is known as "The King of Blood Purifiers," and the secret of its success and its right to this title is because "IT CURES DISEASE." It is an honest medicine, made entirely of purifying, healing roots, herbs and barks, which are acknowledged to be specifics for diseases arising from an impure or poisoned condition of the blood and possessing tonic properties that act gently and admirably in the up-building of a run-down, weakened or disordered condition of the system.

One of the greatest points in favor of S. S. S. is that it is the only blood remedy on the market which does not contain a mineral ingredient of some kind to derange or damage the system. It is the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family, and persons who have allowed their systems to get in such condition that most medicines are repulsive to the stomach will find that S. S. S., while thorough, is gentle and pleasant in its action, and has none of the nauseating effects of the different mineral mixtures and concoctions offered as blood purifiers.

As every part of the body is dependent on the blood for nourishment and strength, it is necessary that this vital fluid be kept free from germs and poisons. So long as it remains uncontaminated we are fortified against disease, and health is assured; but any impurity, humor or poison acts injuriously on the system and affects the general health. Pustular eruptions, pimples, rashes and the different skin affections show that the blood is in a feverish and diseased condition as a result of too much acid or the presence of some irritating humor. Sores and Ulcers are the result of morbid, unhealthy matter in the blood, and Rheumatism, Catarrh, Scrofula, Contagious Blood Poison etc., are all deep-seated blood disorders that continue to grow worse as long as the poison remains.

But all blood diseases are not acquired; some persons are born with an hereditary taint in the blood and we see this great affliction manifested in many ways. The skin has a waxy, pallid appearance, the eyes are often weak, glands of the neck enlarged, and as the taint has been in the blood since birth the entire health is usually affected.

In all blood troubles S. S. S. has proved itself a perfect remedy and has well earned the title of "KING OF BLOOD PURIFIERS." It goes down into the circulation and removes all poisons, humors, waste or foreign matter, and makes this stream of life pure and health-sustaining. Nothing reaches inherited blood troubles like S. S. S.; it removes every particle of the taint, purifies and strengthens the weak, deteriorated blood, and supplies it with the healthful properties it needs and establishes the foundation for good health. As a tonic this great medicine has no equal, and it will be found especially bracing to weak, anemic persons. Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases, Scrofula, Contagious Blood Poison and all other blood troubles are cured permanently by S. S. S., and so thorough is the cleansing of the blood that no trace of the disease is left to break out in future years or to be transmitted to offspring. If you are in need of a blood purifier get "THE KING" of them all, S. S. S.—and good results are assured. Book on the blood and any medical advice desired furnished without charge to all who write.

Gentlemen—S. S. S. is used as a family medicine in our home. I myself have taken and always found it what it is claimed to be. It thoroughly cleanses the system of impurities, increases the appetite, improves the digestion, and builds up the general health. I have given it to my children with fine results. It promptly restores the appetite and clears the skin of all eruptions. It is a very fine blood tonic and has my hearty endorsement.
