FENCES MUST COME DOWN

Local land offices throughout the state have received copies of the recent order issued by Secretary Hitchcock of the interior department, relating to tearing down fences that inclose government land. These circulars instruct all special agents, registers and receivers of the land office service throughout the United States to fenced in public land. Westside Commissioner Did All He Could, Says Prineville Review

Prineville Review: A contract was let by the county court Saturday to, the Prineville Contracting Company for the foundation and superstructure Pherson hill, for instance. Were the of the new brick and stone Crook county courthouse, at the figure of \$50,000. The foundation and the first story of the superstructure are to be gated portion of Crook county, finished this year, and next year will see the completion of the work.

Commissioner Bayley, from whom opposition to the projected enterprise was expected, has on the contrary done all he could to expedite the matter, realizing, as the people of Prineville have for some time, that a new courthouse has become an absolute necessity to accommodate the growing business of the county. Political considerations were eliminated altogether in discussing the new building.

The building is to be of brick and stone and will cost the county \$43,500. The remaining sum, \$6,500, was subscribed by the citizens of Prineville at a recent meeting.

WILL HAVE AN OPEN DISCUSSION

The Mountain View literary and debating society will meet at the Branstetter schoolhouse on Agency Plains on Saturday, January 19th, at 7:30 p. m., to discuss the question, "Resolved that the people have a lose no time in proceeding right to exclude the Japanese from the against people who have public schools of the City of San
