## COLLL PROVOKE JAPAN

May Bring War.

### HOODLUMS WILL START ATTACK

With Battleships in Pacific They Will Become Bold and Japan Will Surely Retaliate.

Washington, Aug. 3 .- There was much jubilation on the part of naval officers today over the specific and unthat the battleships of the Atlantic fleet ing feeling on the part of naval officers that these vessels would not be sent around Cape Horn.

One of the most substantial officers of the navy believes that the sending of these battleships to the California coast will cause so much irritation that war between the United States and Japan will be the result. They are already figuring on promotions, as history has shown that advancement in the naval service is much more rapid during war than in peace.

All naval officers are forbidden to discuss international questions for publication, but privately they do not besitate to declare that they believe that as soon as the Altantic fleet starts on its long voyage to the Pacific the Japanese government will send one of its fleets to the coast of California or to the At-

## Eight Injured in Elevator.

Cincinnati, Aug. 3 .-- A peculiar accident on an elevator in the Power building, at Eighth and Sycamore streets, last evening, seriously injured eight persons. The car was running by electricity and a broken connection in a switchboard extinguished the lights and took from the operator the power to control the car. As a result the crowd reached the bottom in safety, although in darkness, and then, by a sudden renewal of power, the elevator went to the top of the shaft so rapidly that the balancing weights were thrown off and in falling struck several pas-
